## 勇氣的榮耀

### 自我介紹及創作理念

我是18歲的自閉症者，喜歡創作及繪畫，我難以使用口語表達自己的想法，幸好接觸到打字溝通，讓我能夠在鍵盤上盡情抒發內心世界，今年即將上大學的我，將由小到大的心路歷程呈現在作品裡，是給自己往前進步的動力。

我從小就被標籤為自閉症者，我無法為自己辯解，身為一個地球上的生物體，我以本能的方式存在著，但是非常辛苦，幸運的是有家人和師長的守護與支持，在每個過不去的關卡推我一把，才有今日的我，即將邁入大學的我，也是心懷擔憂及恐懼，但是我仍舊昂首向前，因為我即將創造生命的榮耀。

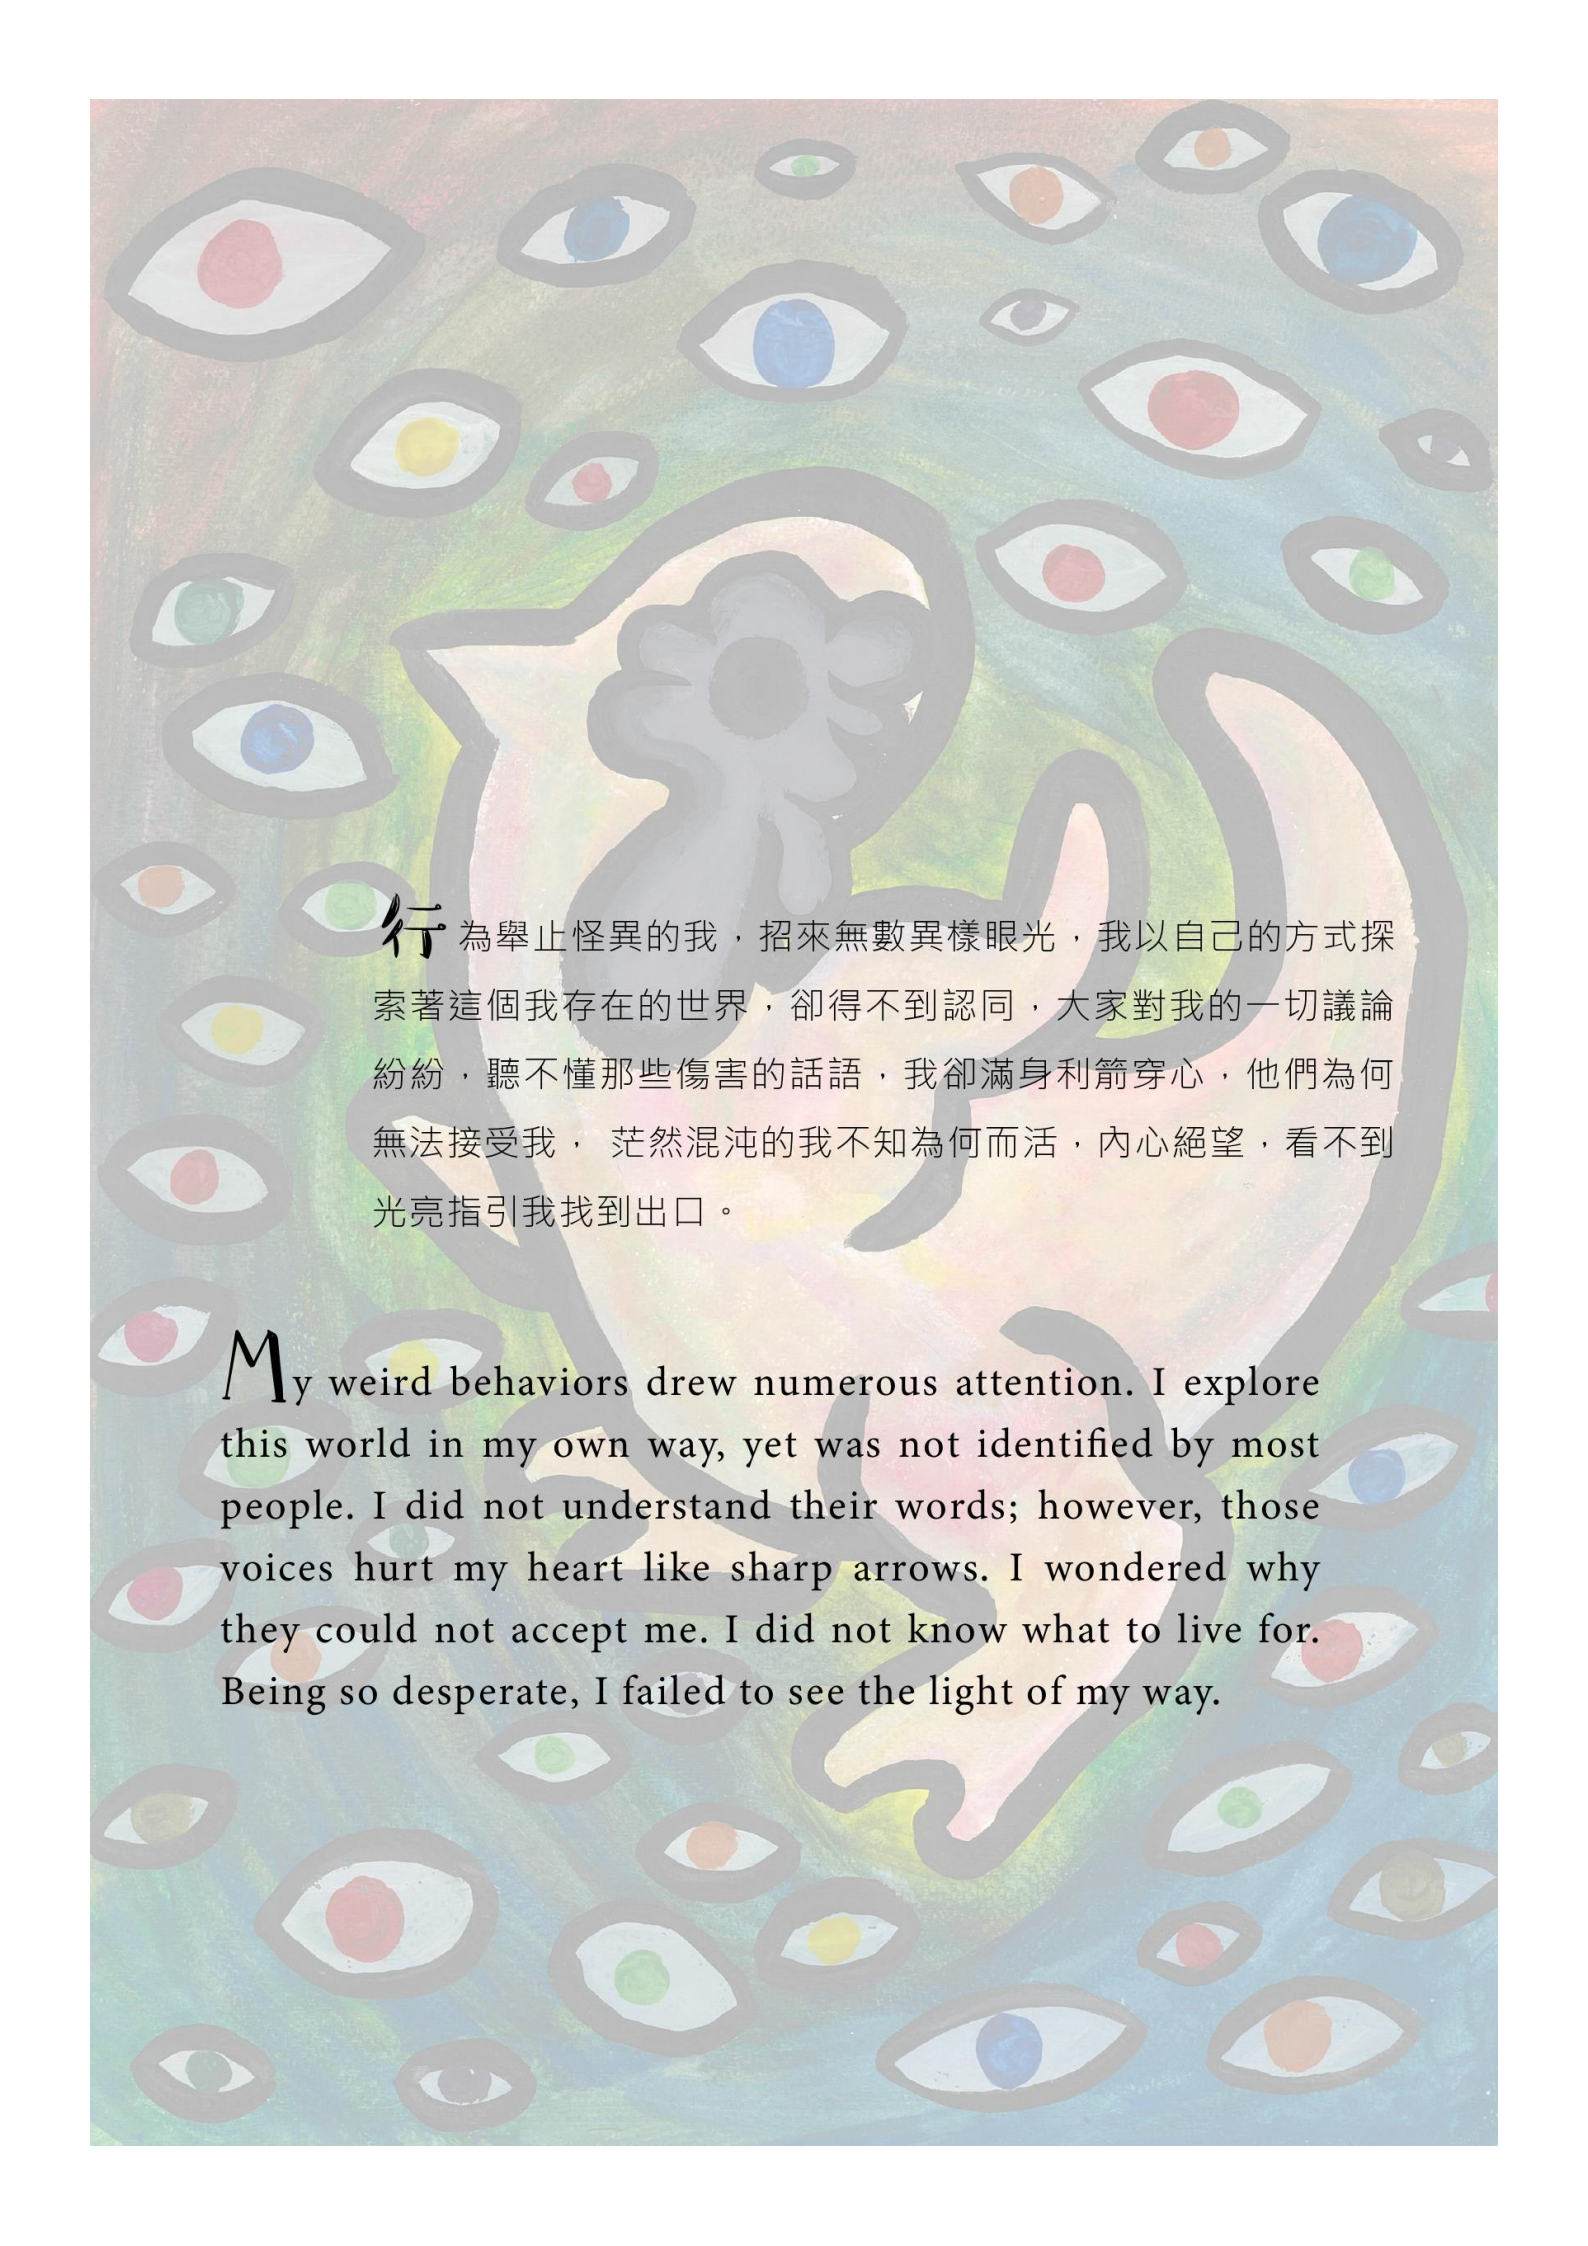

在 眾多生命胚胎中，我漸漸形成，在父母的殷切期待下，我即將誕生，外表和其他生命類似，卻有奧妙般的不同，預告生命將出現神奇未知的挑戰。

Like many embryos, I gradually formed. I was born with great expectation from my parents. I look like other babies, yet there existed mysterious differences, foretelling a magical and unknown challenges in my life.

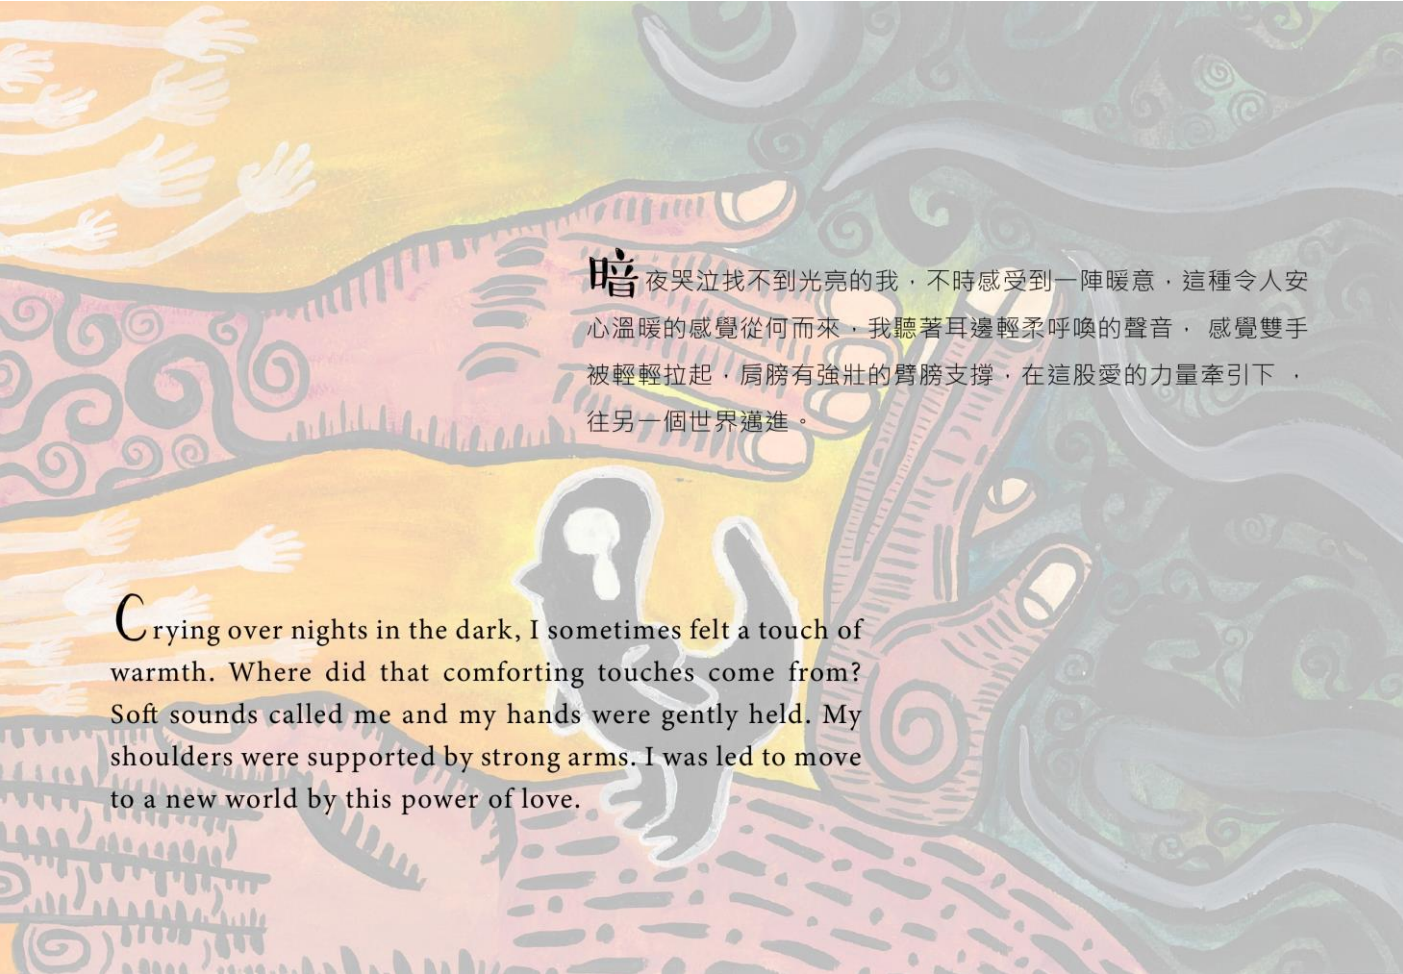

A painting featuring a central figure with a large, dark, stylized face and a prominent nose. The figure is surrounded by numerous eyes of various colors (red, blue, yellow, green, orange) floating in a textured, multi-colored background. The overall style is expressive and somewhat abstract.

行為舉止怪異的我，招來無數異樣眼光，我以自己的方式探索著這個我存在的世界，卻得不到認同，大家對我的一切議論紛紛，聽不懂那些傷害的話語，我卻滿身利箭穿心，他們為何無法接受我，茫然混沌的我不知為何而活，內心絕望，看不到光亮指引我找到出口。

My weird behaviors drew numerous attention. I explore this world in my own way, yet was not identified by most people. I did not understand their words; however, those voices hurt my heart like sharp arrows. I wondered why they could not accept me. I did not know what to live for. Being so desperate, I failed to see the light of my way.

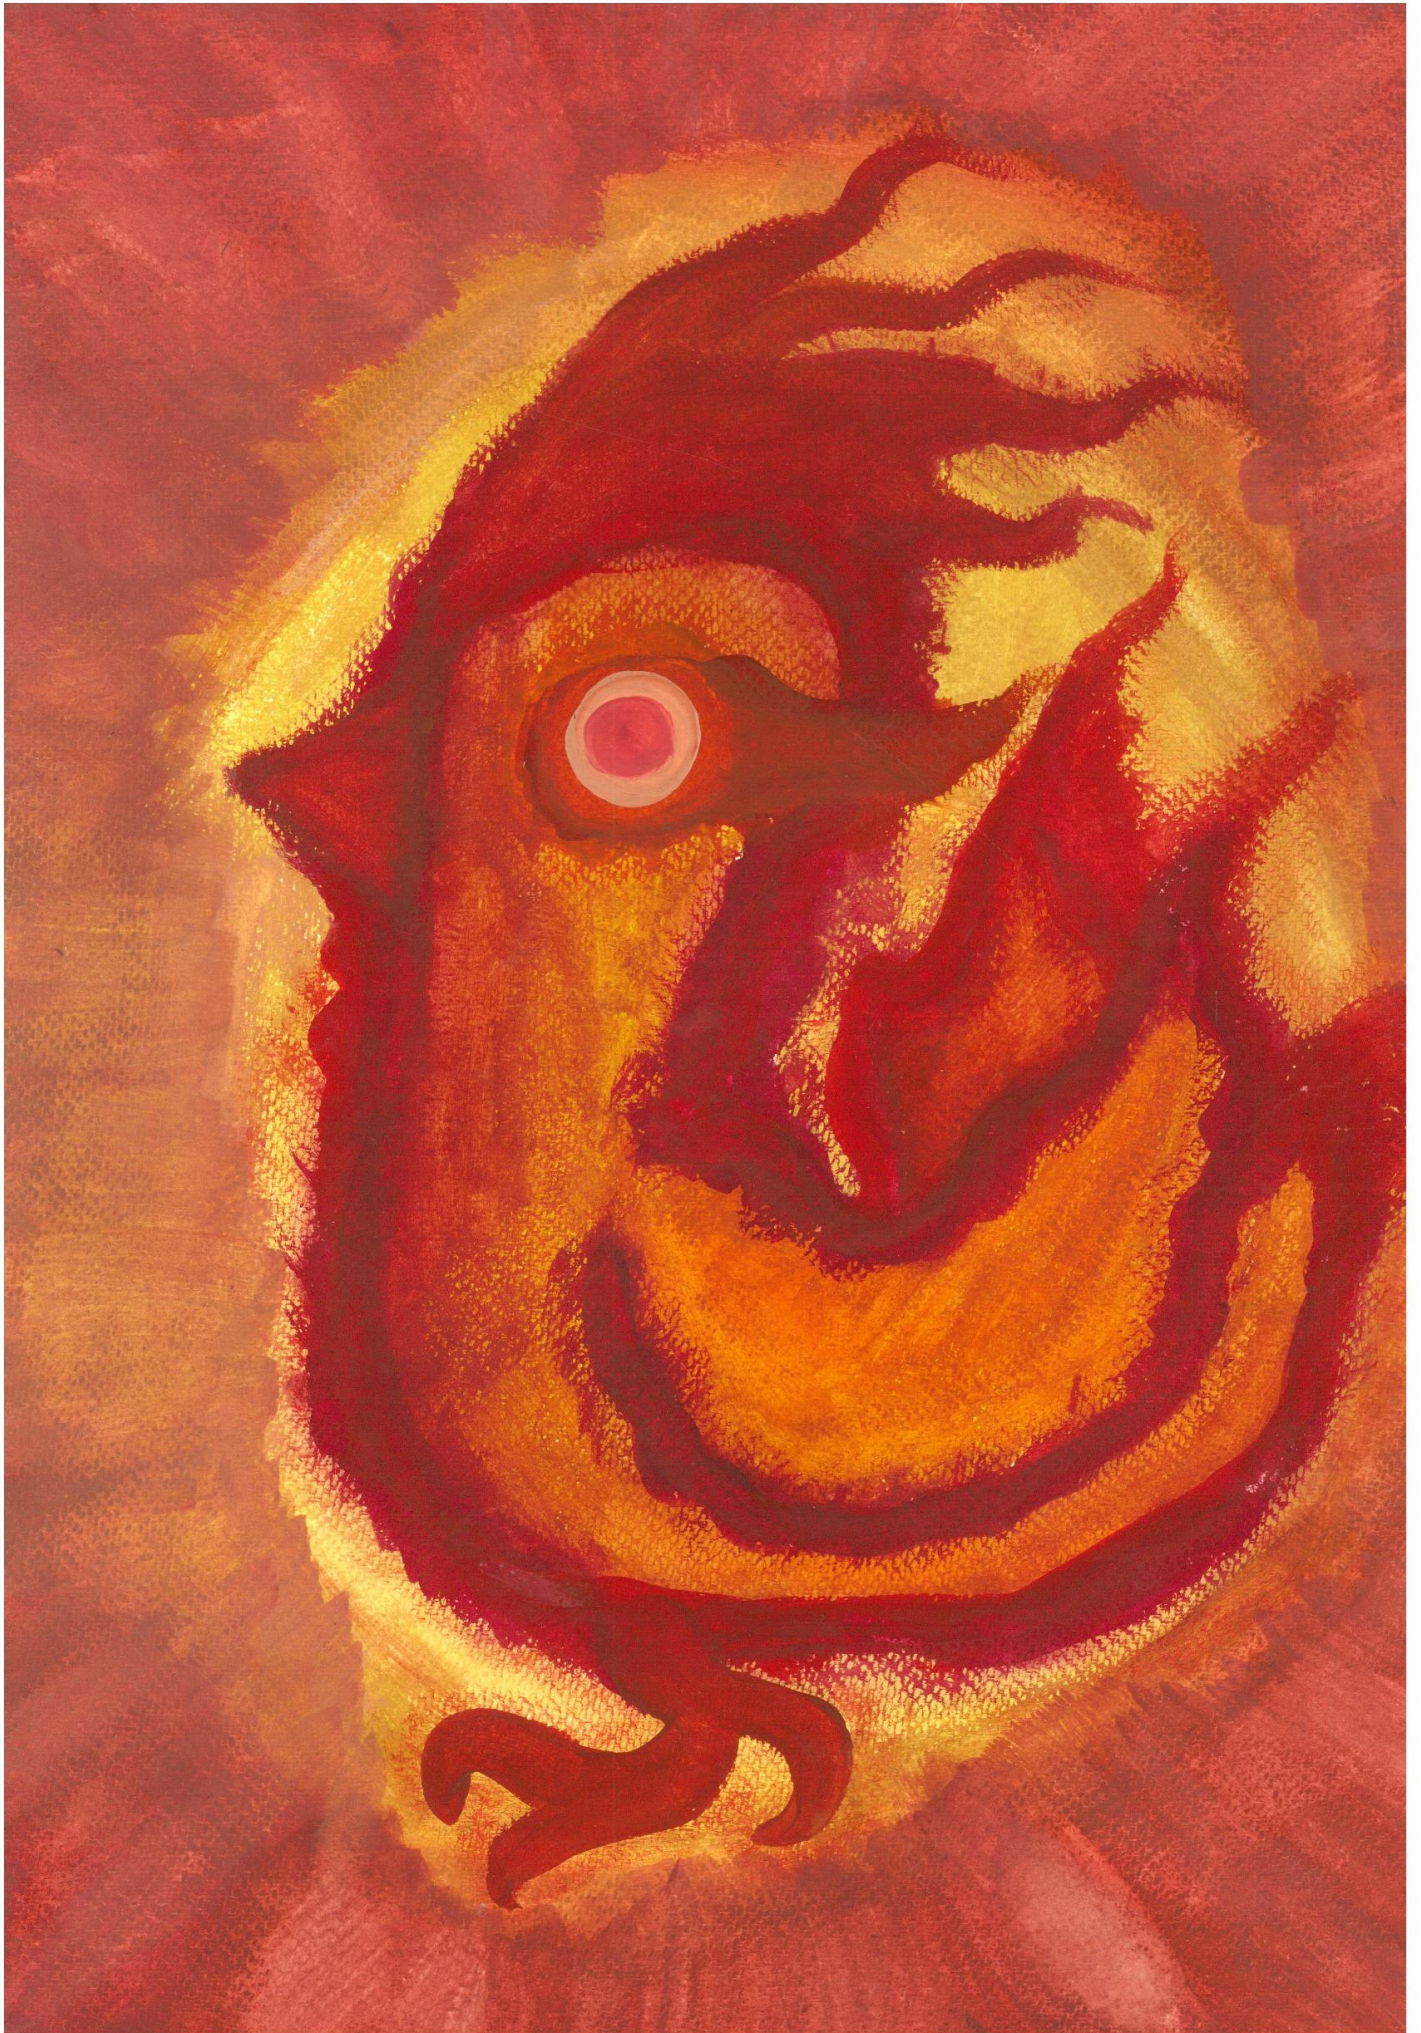

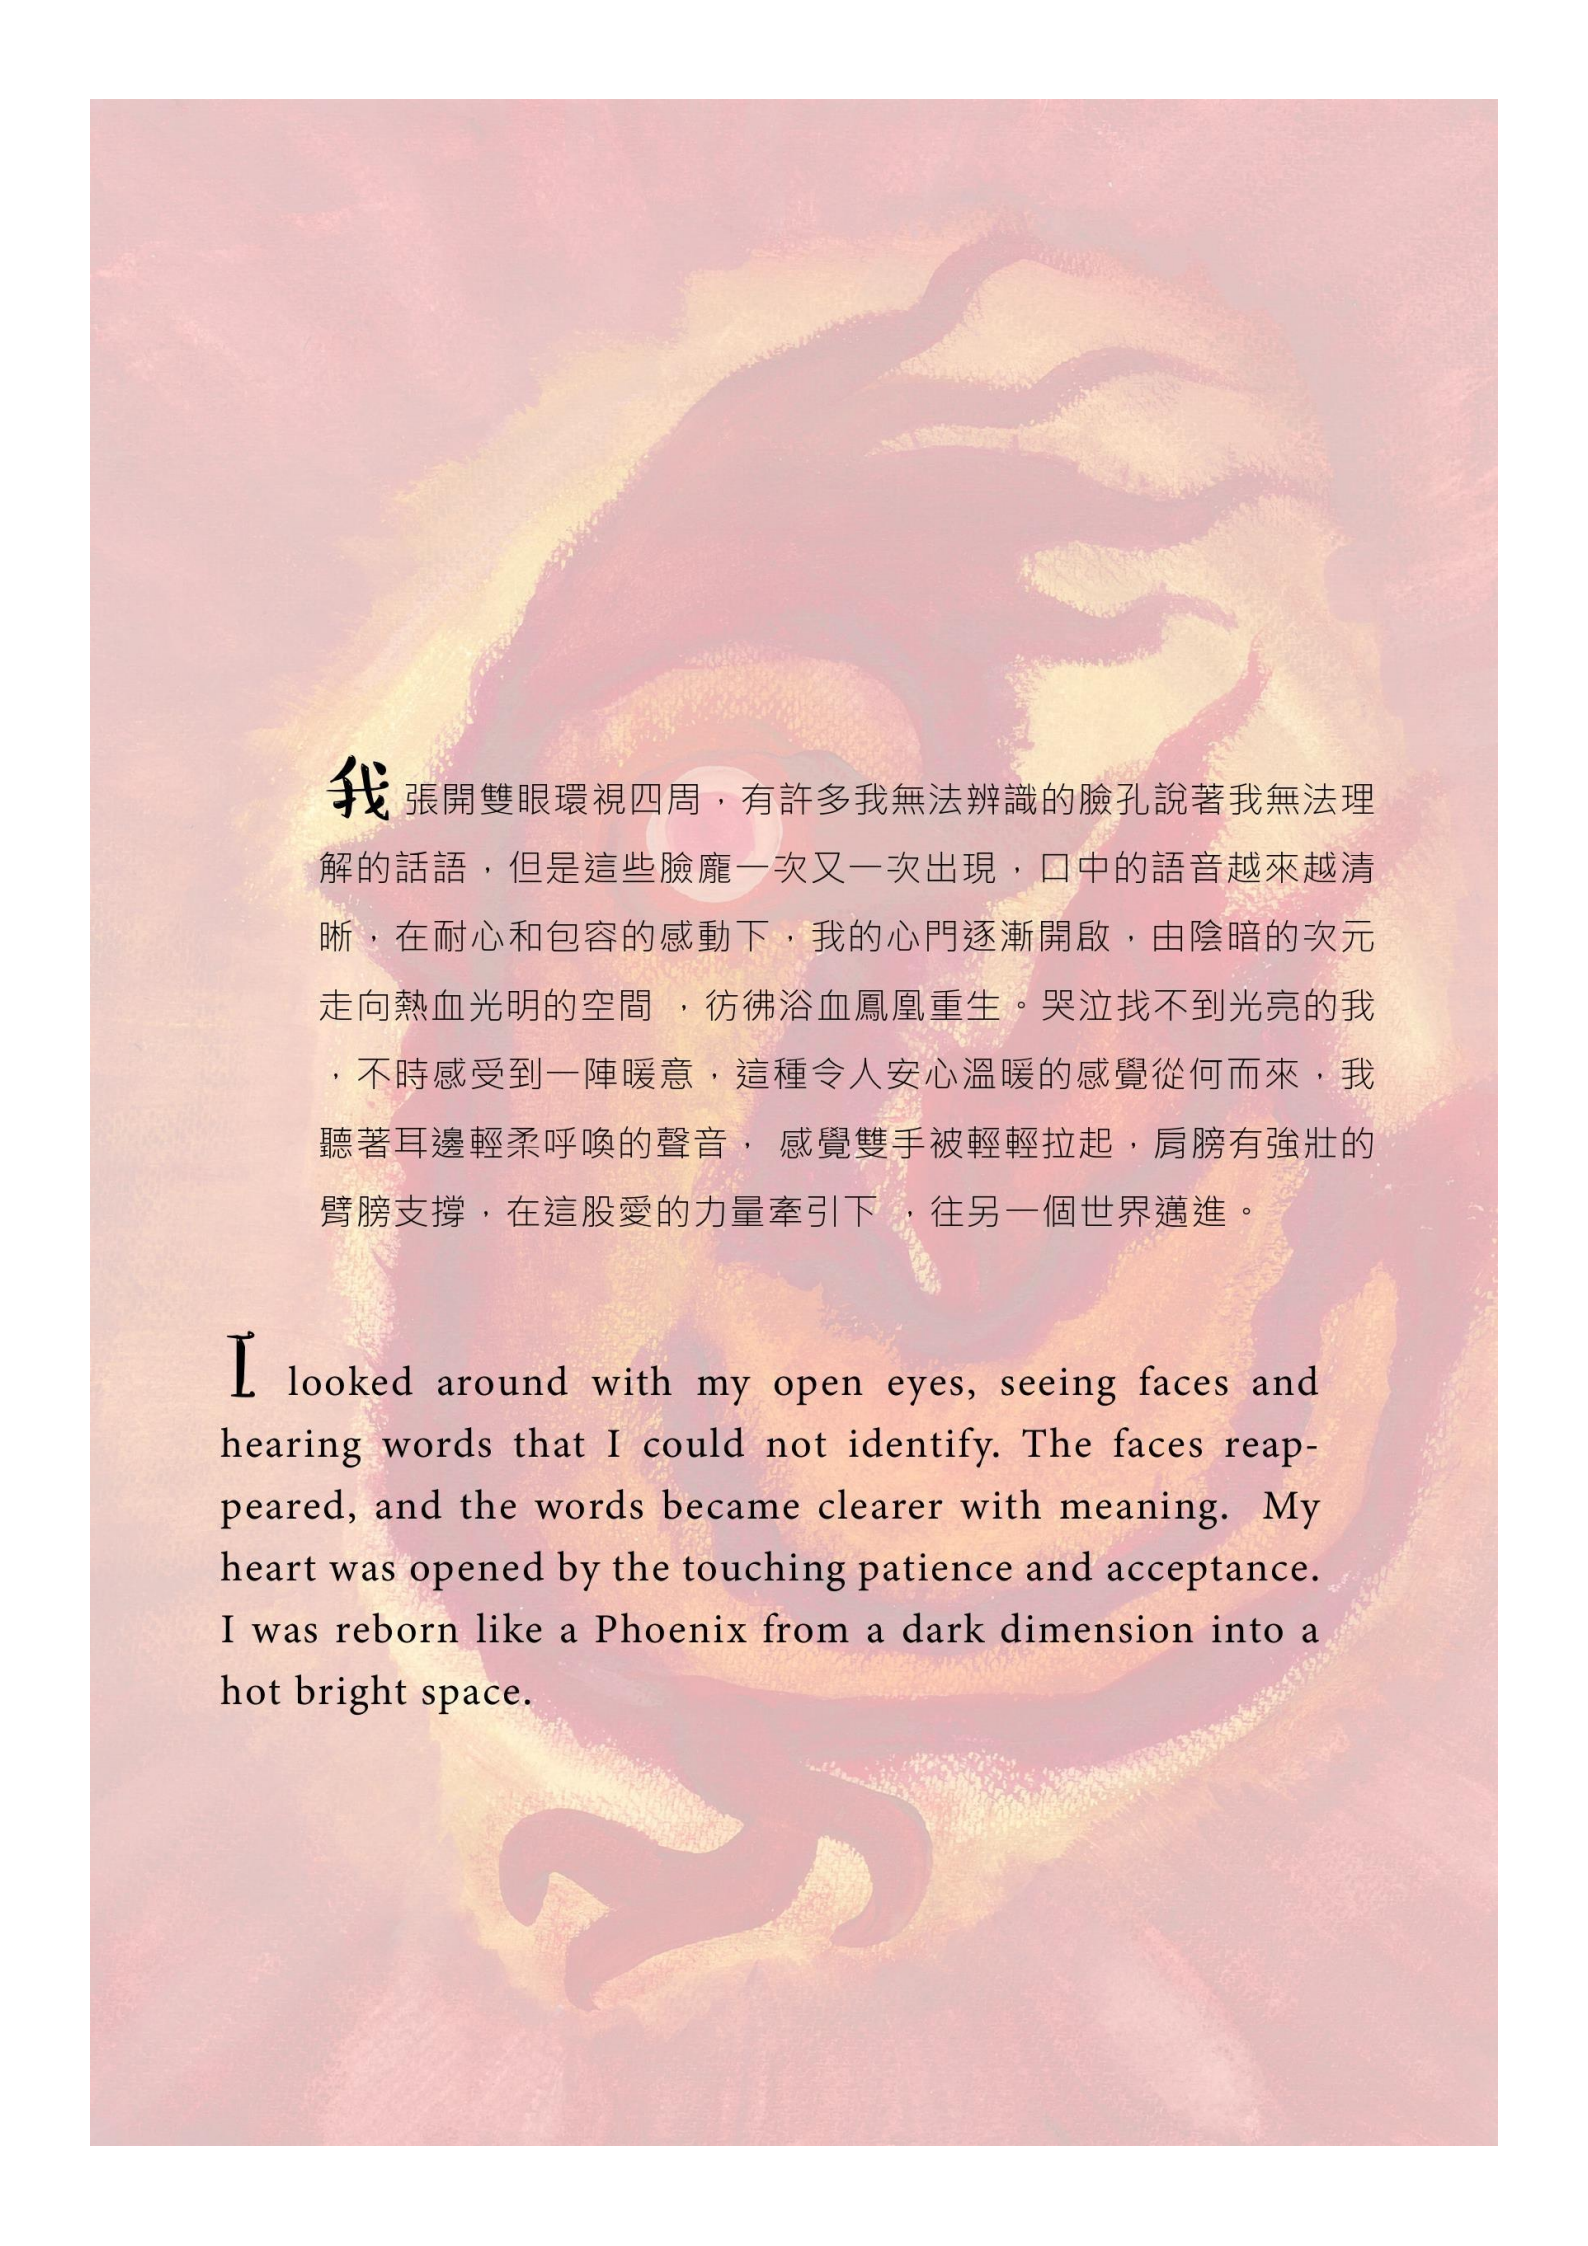

暗夜哭泣找不到光亮的我，不時感受到一陣暖意，這種令人安心溫暖的感覺從何而來，我聽著耳邊輕柔呼喚的聲音，感覺雙手被輕輕拉起，肩膀有強壯的臂膀支撐，在這股愛的力量牽引下，往另一個世界邁進。

Crying over nights in the dark, I sometimes felt a touch of warmth. Where did that comforting touches come from? Soft sounds called me and my hands were gently held. My shoulders were supported by strong arms. I was led to move to a new world by this power of love.

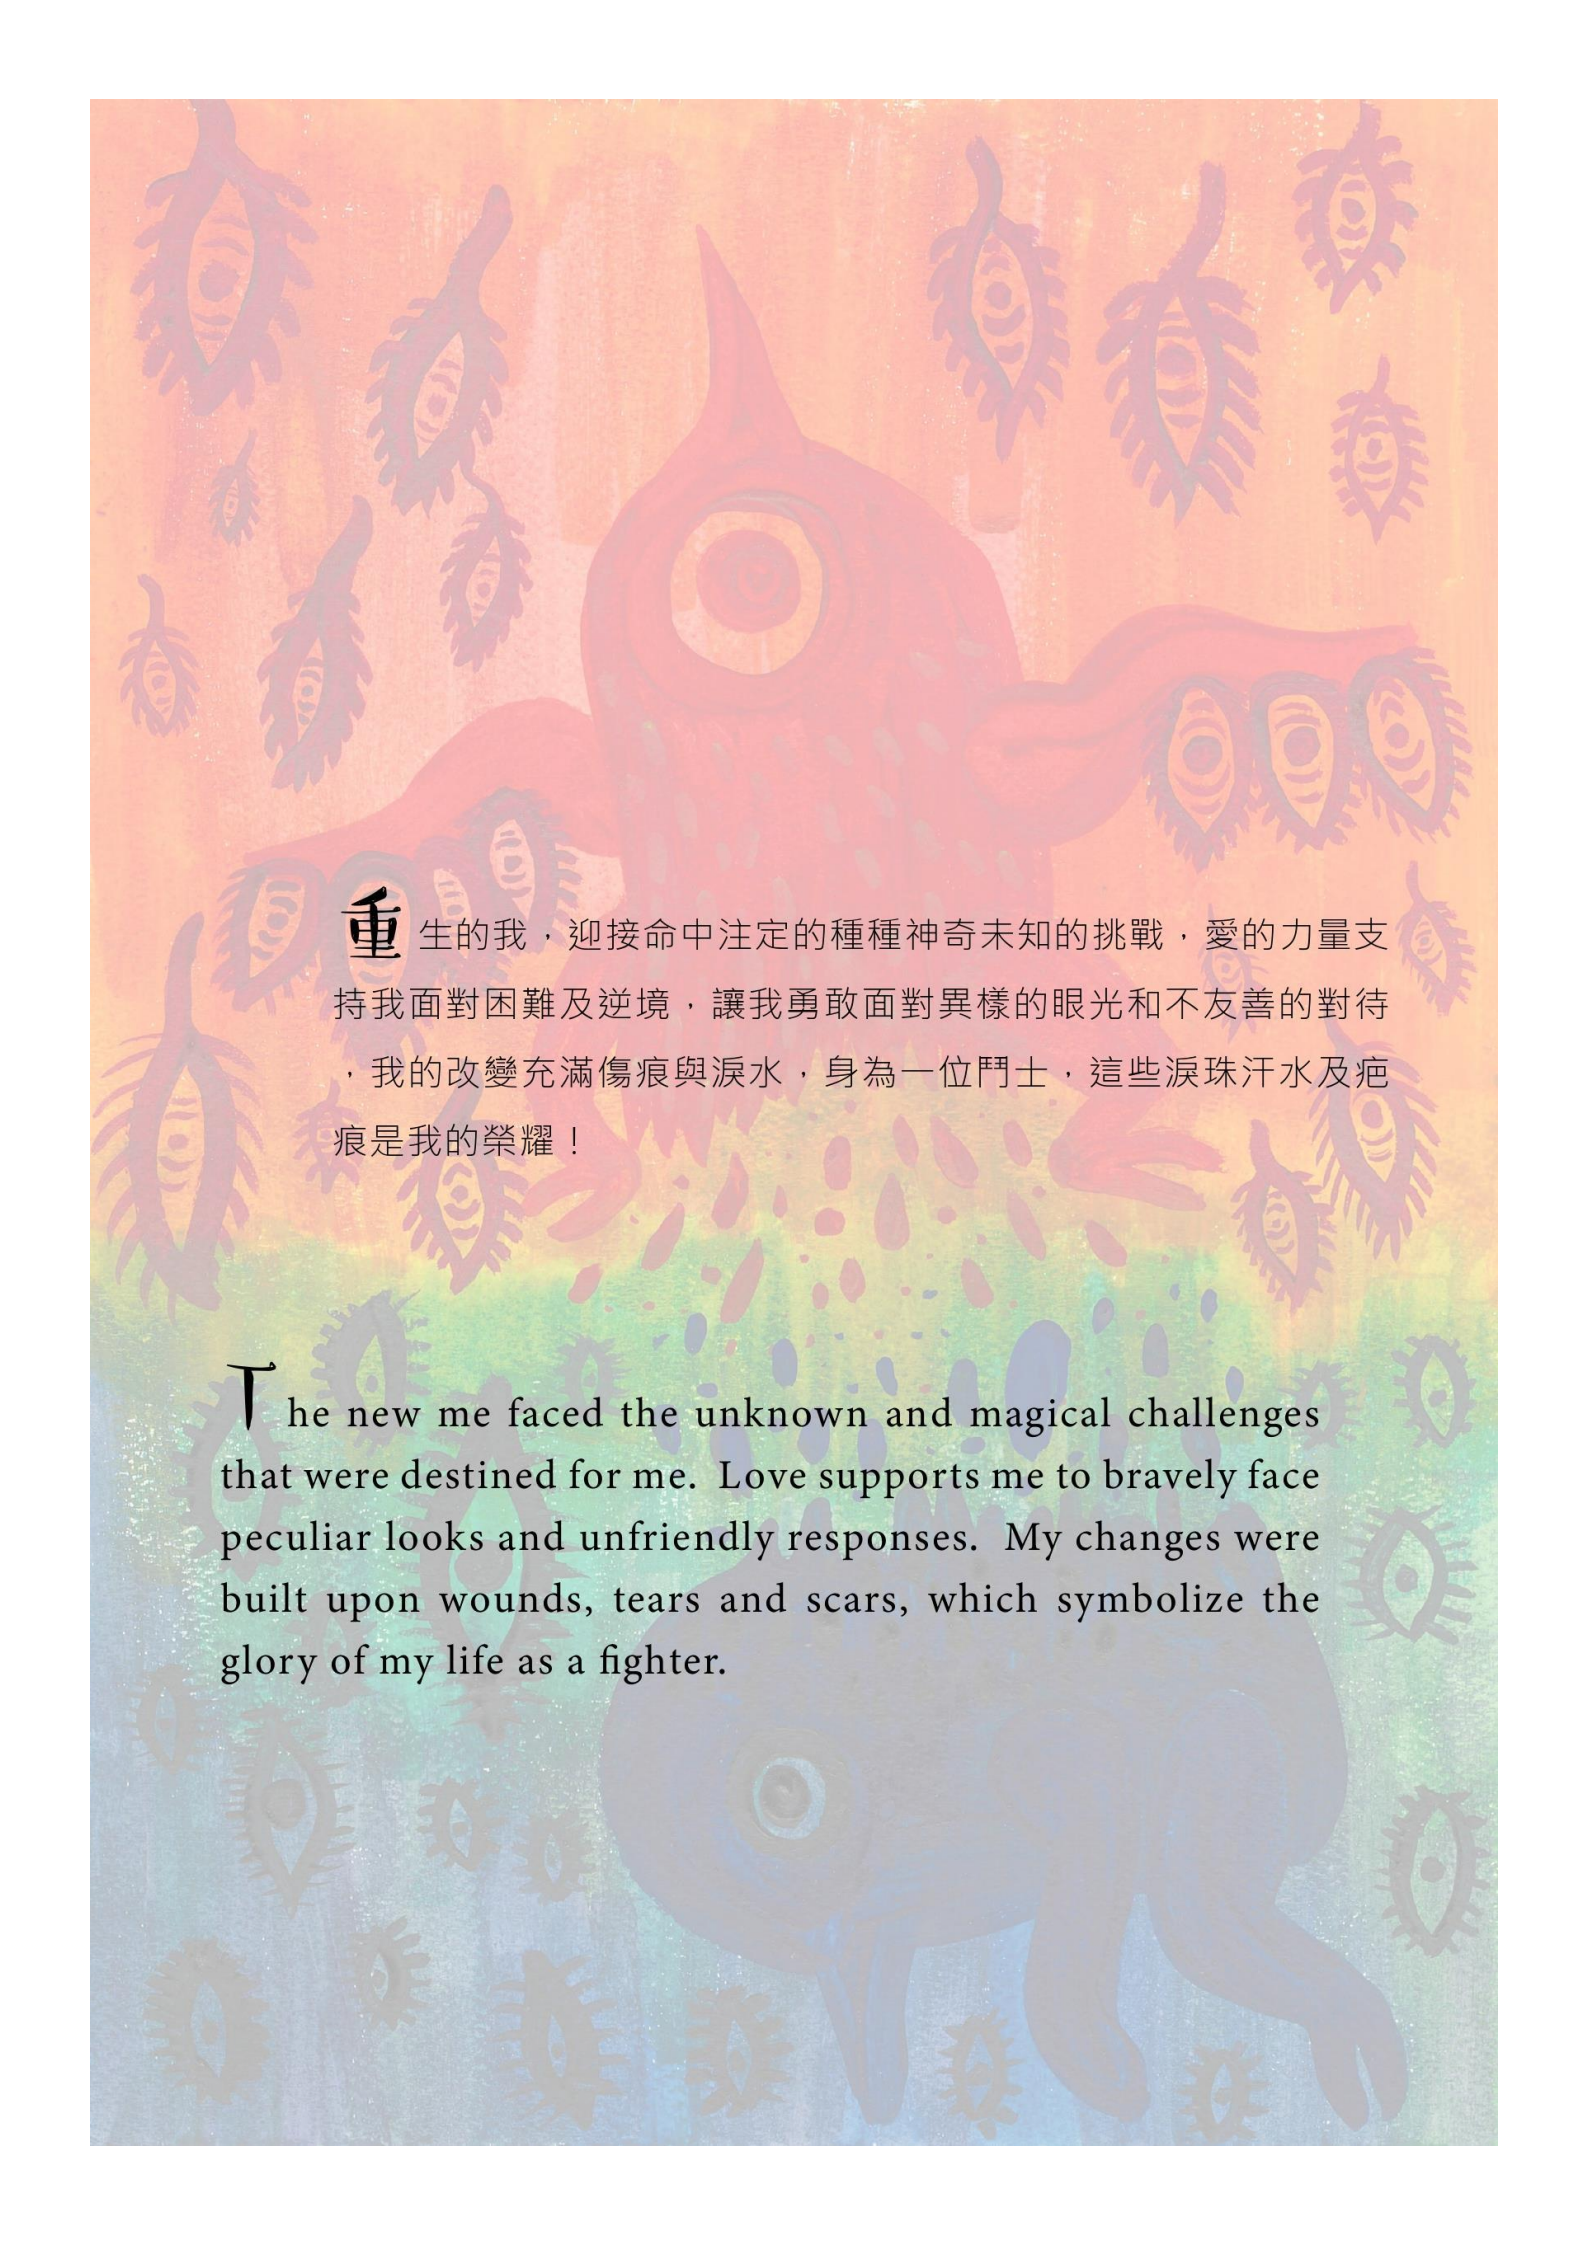

**我**張開雙眼環視四周，有許多我無法辨識的臉孔說著我無法理解的話語，但是這些臉龐一次又一次出現，口中的語音越來越清晰，在耐心和包容的感動下，我的心門逐漸開啟，由陰暗的次元走向熱血光明的空間，彷彿浴血鳳凰重生。哭泣找不到光亮的我，不時感受到一陣暖意，這種令人安心溫暖的感覺從何而來，我聽著耳邊輕柔呼喚的聲音，感覺雙手被輕輕拉起，肩膀有強壯的臂膀支撐，在這股愛的力量牽引下，往另一個世界邁進。

I looked around with my open eyes, seeing faces and hearing words that I could not identify. The faces reappeared, and the words became clearer with meaning. My heart was opened by the touching patience and acceptance. I was reborn like a Phoenix from a dark dimension into a hot bright space.

**重**生的我，迎接命中注定的種種神奇未知的挑戰，愛的力量支持我面對困難及逆境，讓我勇敢面對異樣的眼光和不友善的對待，我的改變充滿傷痕與淚水，身為一位鬥士，這些淚珠汗水及疤痕是我的榮耀！

The new me faced the unknown and magical challenges that were destined for me. Love supports me to bravely face peculiar looks and unfriendly responses. My changes were built upon wounds, tears and scars, which symbolize the glory of my life as a fighter.
