自我介紹及創作理念

在六歲時我沒有任何口語，媽媽希望透過畫畫中可以讓我的觸覺、認知和口語可以有所成長，從發展中心到小學都是讀特教班，在國中階段我想試試看讀普通班，但一路上都不順利；媽媽和爸爸的討論之下決定特教班，但我很不願意，我一直透過可以幫我解決任何問題的許心理老師說服媽媽，然後到申請與教授面談；讓教授們知道，雖然我沒有任何口語，但我想要去國中讀普通班，最終教授同意了；媽媽也願意陪伴我至國中讀普通班，到了國中後也不太順利；媽媽一直與學校校長主任老師溝通、說服，堅持種種的難關，這10幅畫表達我的心境。

A watercolor illustration of a hand holding a string, with a small boat and a net visible in the background. The hand is rendered in warm, golden-yellow and orange tones, with a red string looped around the index finger. The background is a light, airy wash of white and pale blue, with scattered blue and green speckles. In the lower-left corner, a dark, tangled mass of lines suggests a net or a bundle of rope. In the lower-center, a small, simple boat is depicted with a red string attached to it. The overall style is soft and painterly.

A watercolor illustration of a savanna scene. In the foreground, there are several zebras with different stripe patterns: one large zebra with prominent black and yellow stripes on the left, and several smaller zebras with various stripe patterns (including purple and blue stripes) scattered throughout. The background is a soft, light green and yellow wash, suggesting a grassy plain under a bright sky. In the top right corner, there are two small, stylized red shapes that look like birds or leaves.
