

打开开心

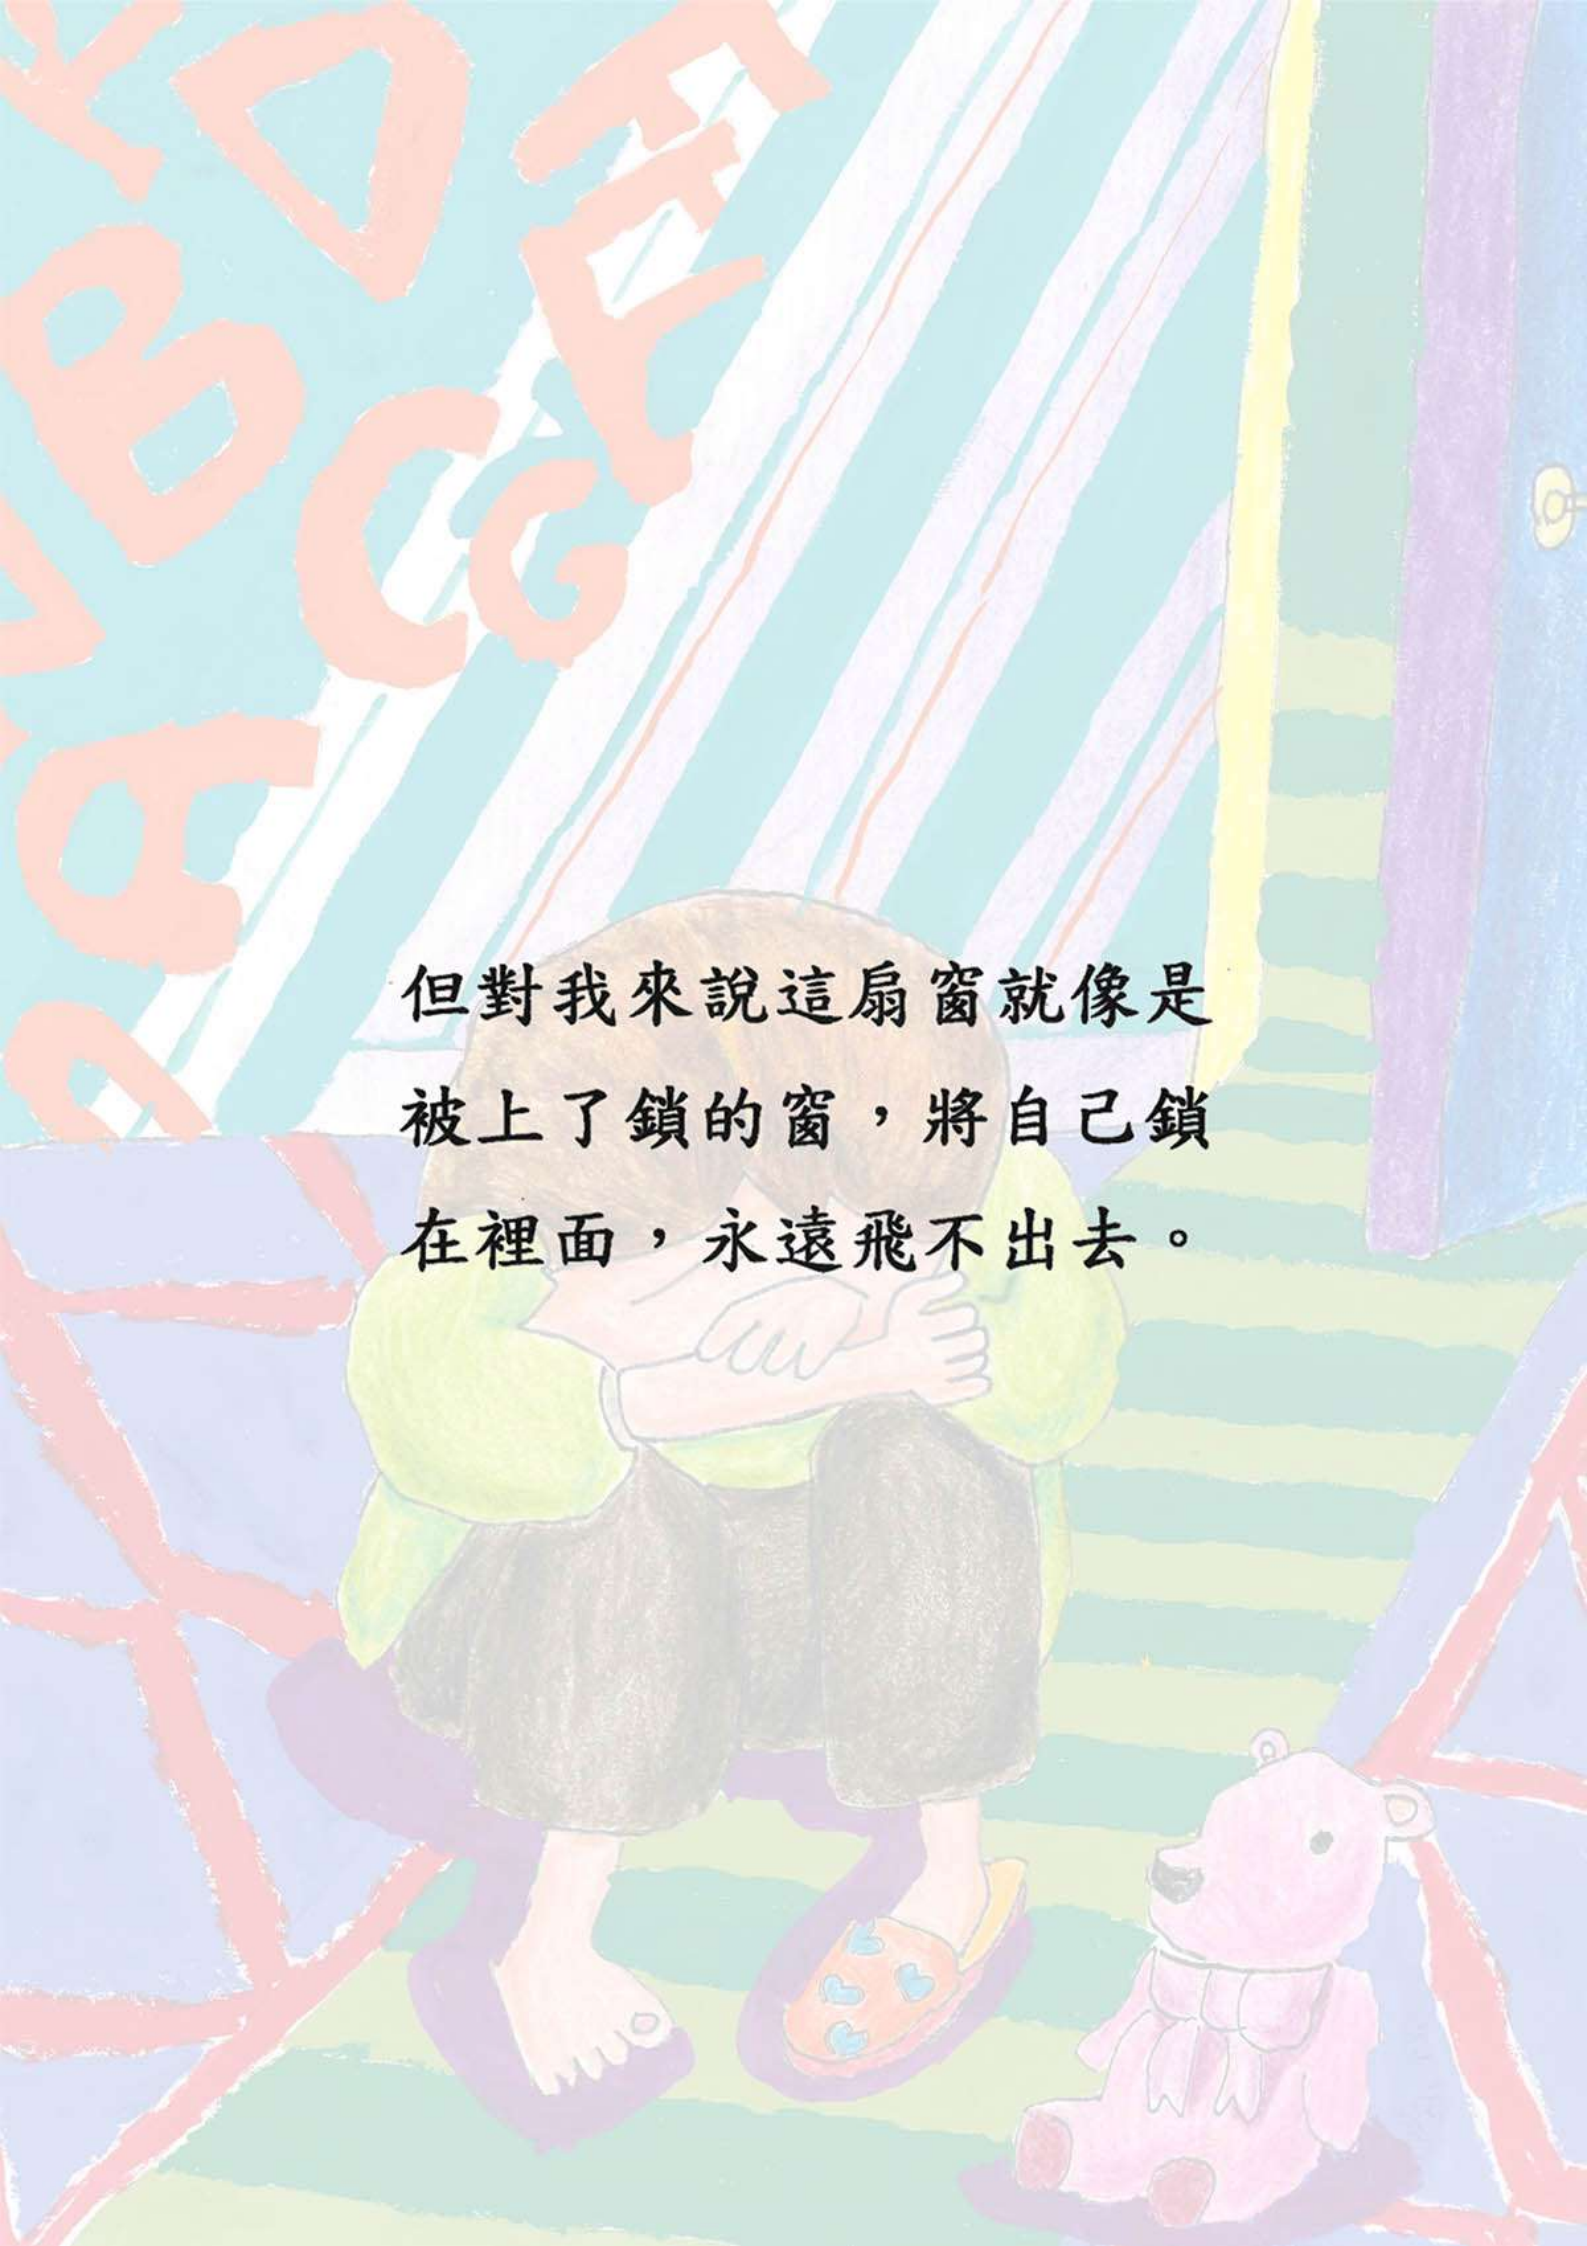

自我介紹及 創作理念

我是馮子宣，一個小胖威利症的罕病患者，病症合併智力、情緒多重障礙，也因為疾病在學校有很多行為是不被同學理解的，所以孤獨沒有自信無法融入群體，直到接觸繪畫在色彩中讓我不再封閉找到信心、快樂，希望我的繪本能鼓勵其他的人，因為我可以做到的，你們一定也可以的！

A colorful illustration of a young girl with short brown hair, seen from behind, looking out of an open wooden window. She is wearing a blue short-sleeved shirt and a pink skirt with large purple polka dots. Her hands are resting on the window frame. The room has a yellow wall with a green floral pattern, a red square object on the left, and a blue and white striped floor. A small pink teddy bear sits on a purple rug in the bottom left corner. The window shows a bright blue sky with white clouds.

每個人心裡都有一扇窗，
可以看見藍天白雲的窗

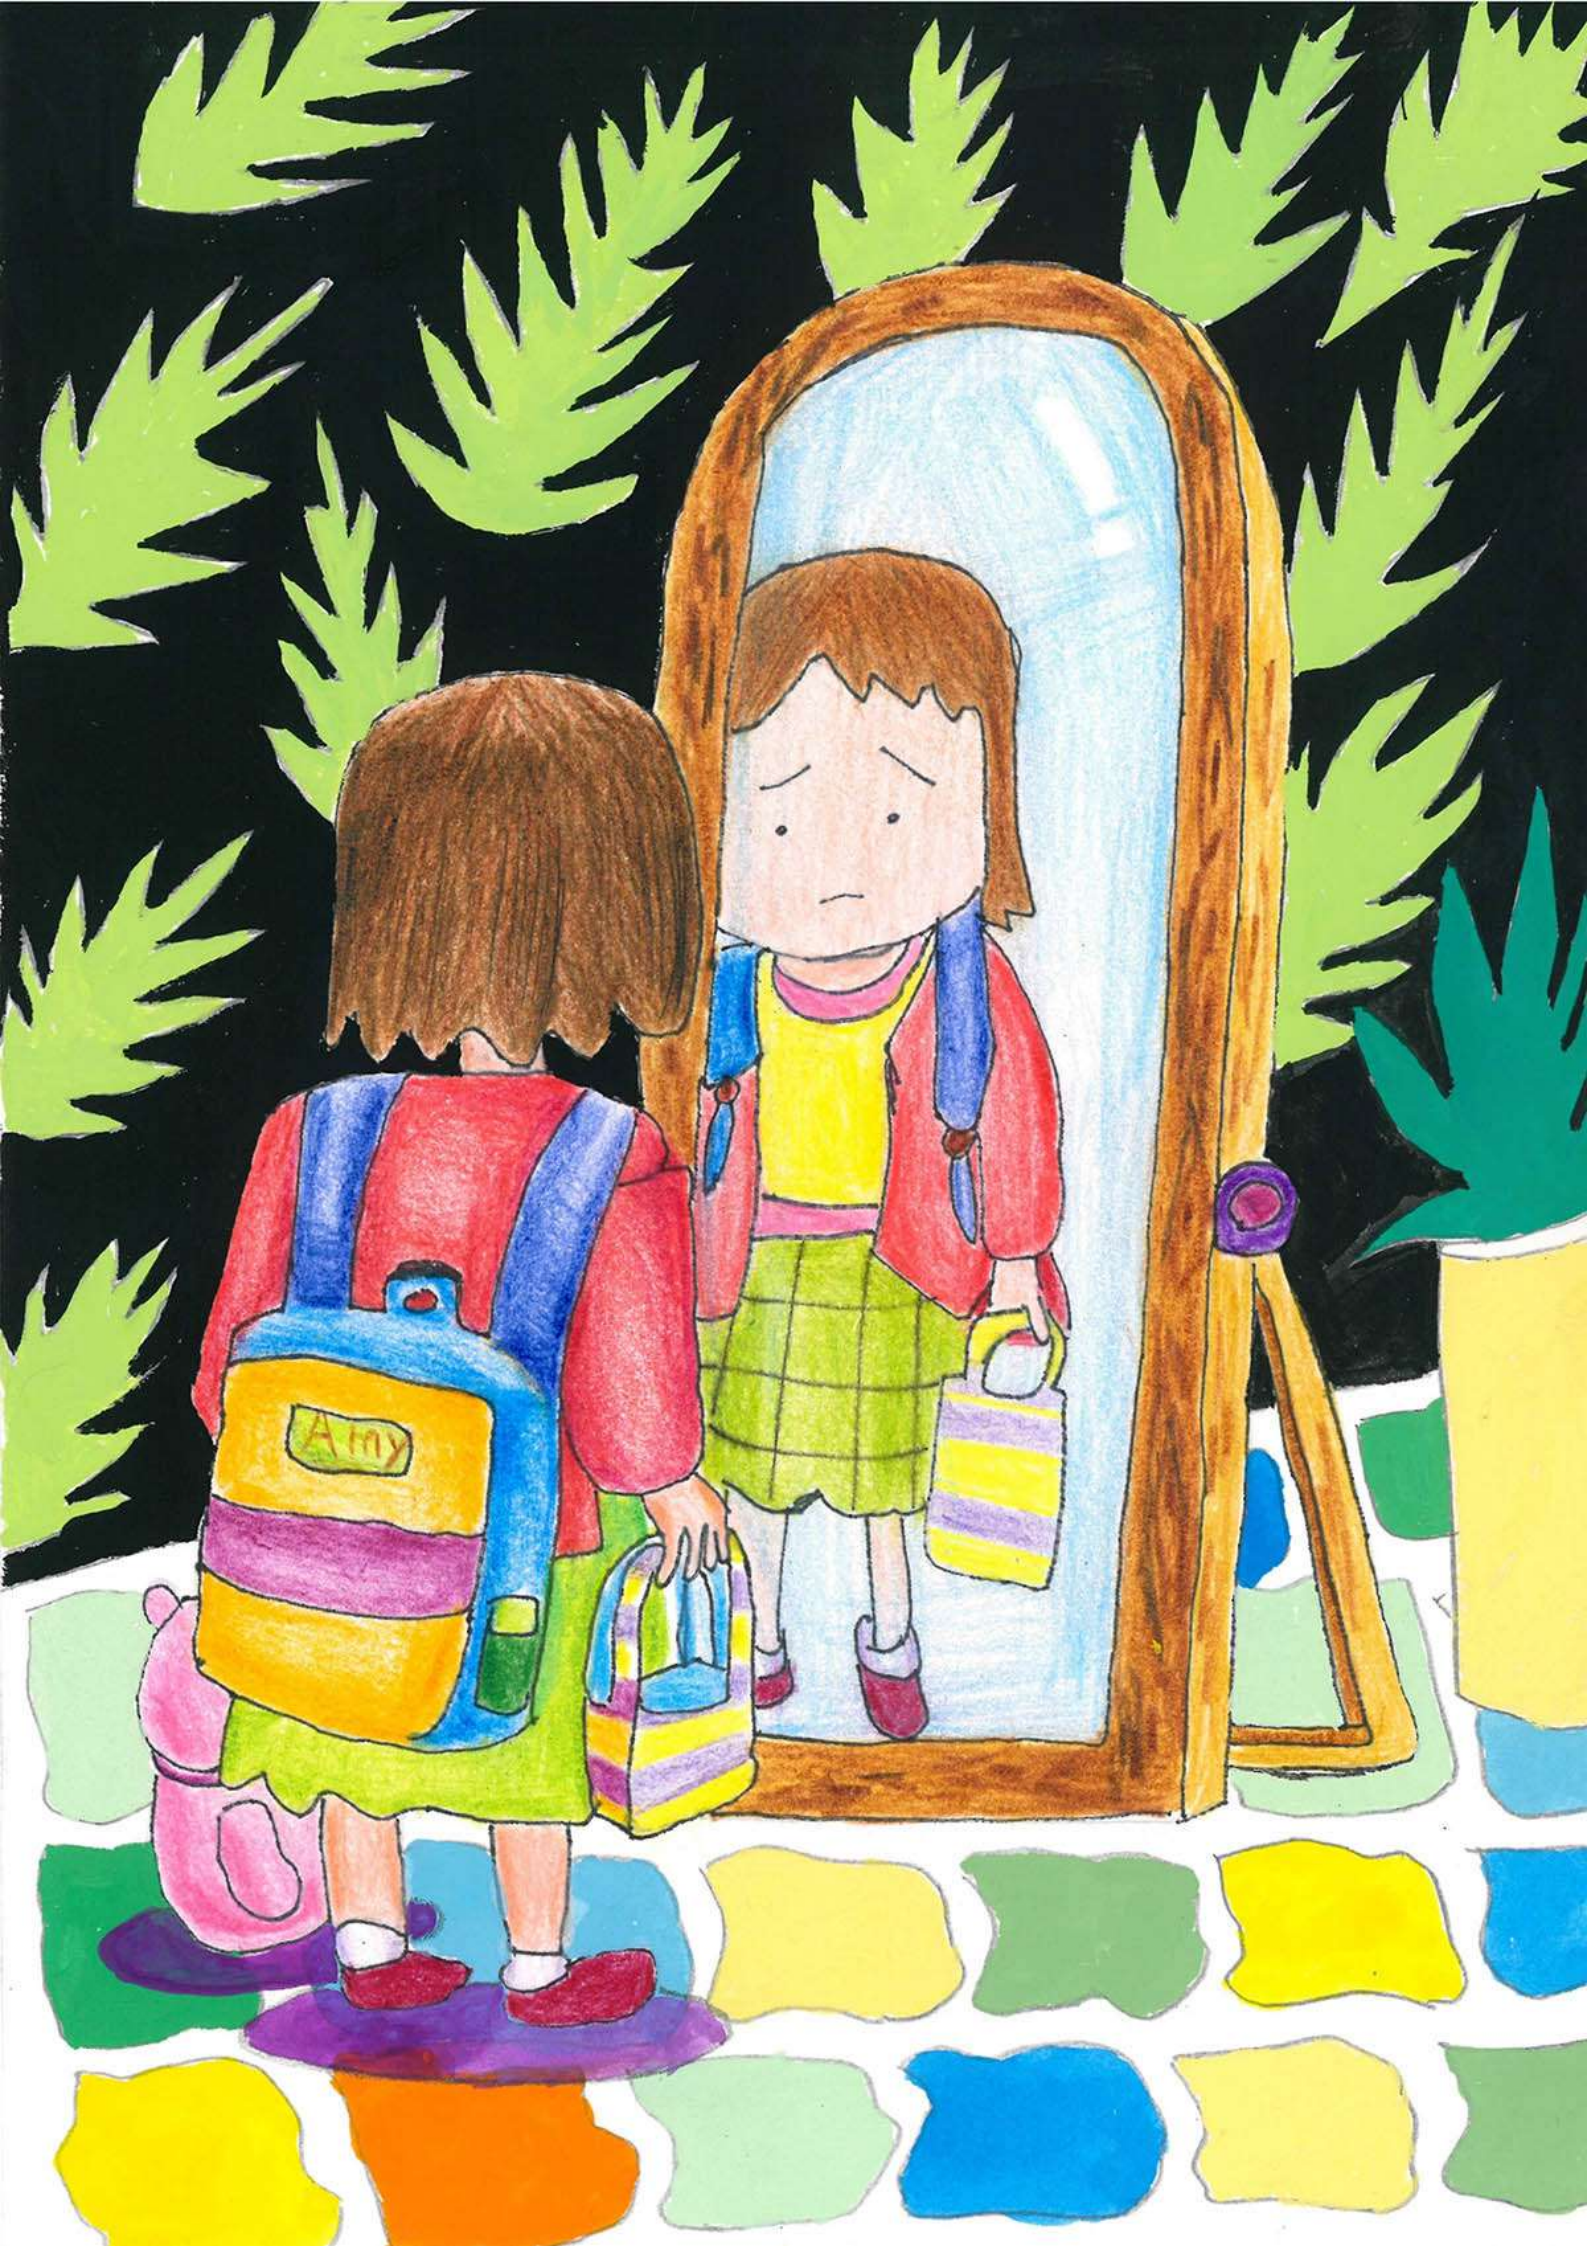

但對我來說這扇窗就像是
被上了鎖的窗，將自己鎖
在裡面，永遠飛不出去。

A colorful illustration of a young girl with brown hair, wearing a pink jacket and a green plaid skirt, looking into a large, arched wooden mirror. She has a sad expression. Her reflection in the mirror shows her with a more neutral, slightly downcast expression. She is holding a yellow and purple striped bag. In the foreground, the back of another girl is visible, wearing a pink jacket and a green skirt, with a large yellow and blue backpack that has the name 'Amy' on it. The background features stylized green plants and a colorful, patterned floor.

隨著時間的成長，漸漸感
受到自己和別人不同！

A colorful illustration of a young girl with brown hair, wearing a green shirt and a brown skirt, sitting on a wooden chair with a blue cushion. She has a sad expression. To her left is a large blue syringe with a needle pointing towards her. To her right is a blue medical bag with a red liquid inside. In the background, there is a large yellow sun with a white center. The floor is decorated with green octagonal tiles. In the foreground, there are several food items: a hamburger, a green boba drink with a red and white striped straw, and a chocolate-glazed donut with colorful sprinkles.

除了不能隨興吃喜愛的美食，還要每天打針、定期抽血追蹤。

An illustration featuring three young girls. In the background, a girl with brown hair and a green jacket looks sad, standing in front of a rainbow-colored structure. In the foreground, two girls, also in green jackets, are laughing and holding a drink with a straw. The background is decorated with red tulips and yellow flowers. The text is centered over the scene.

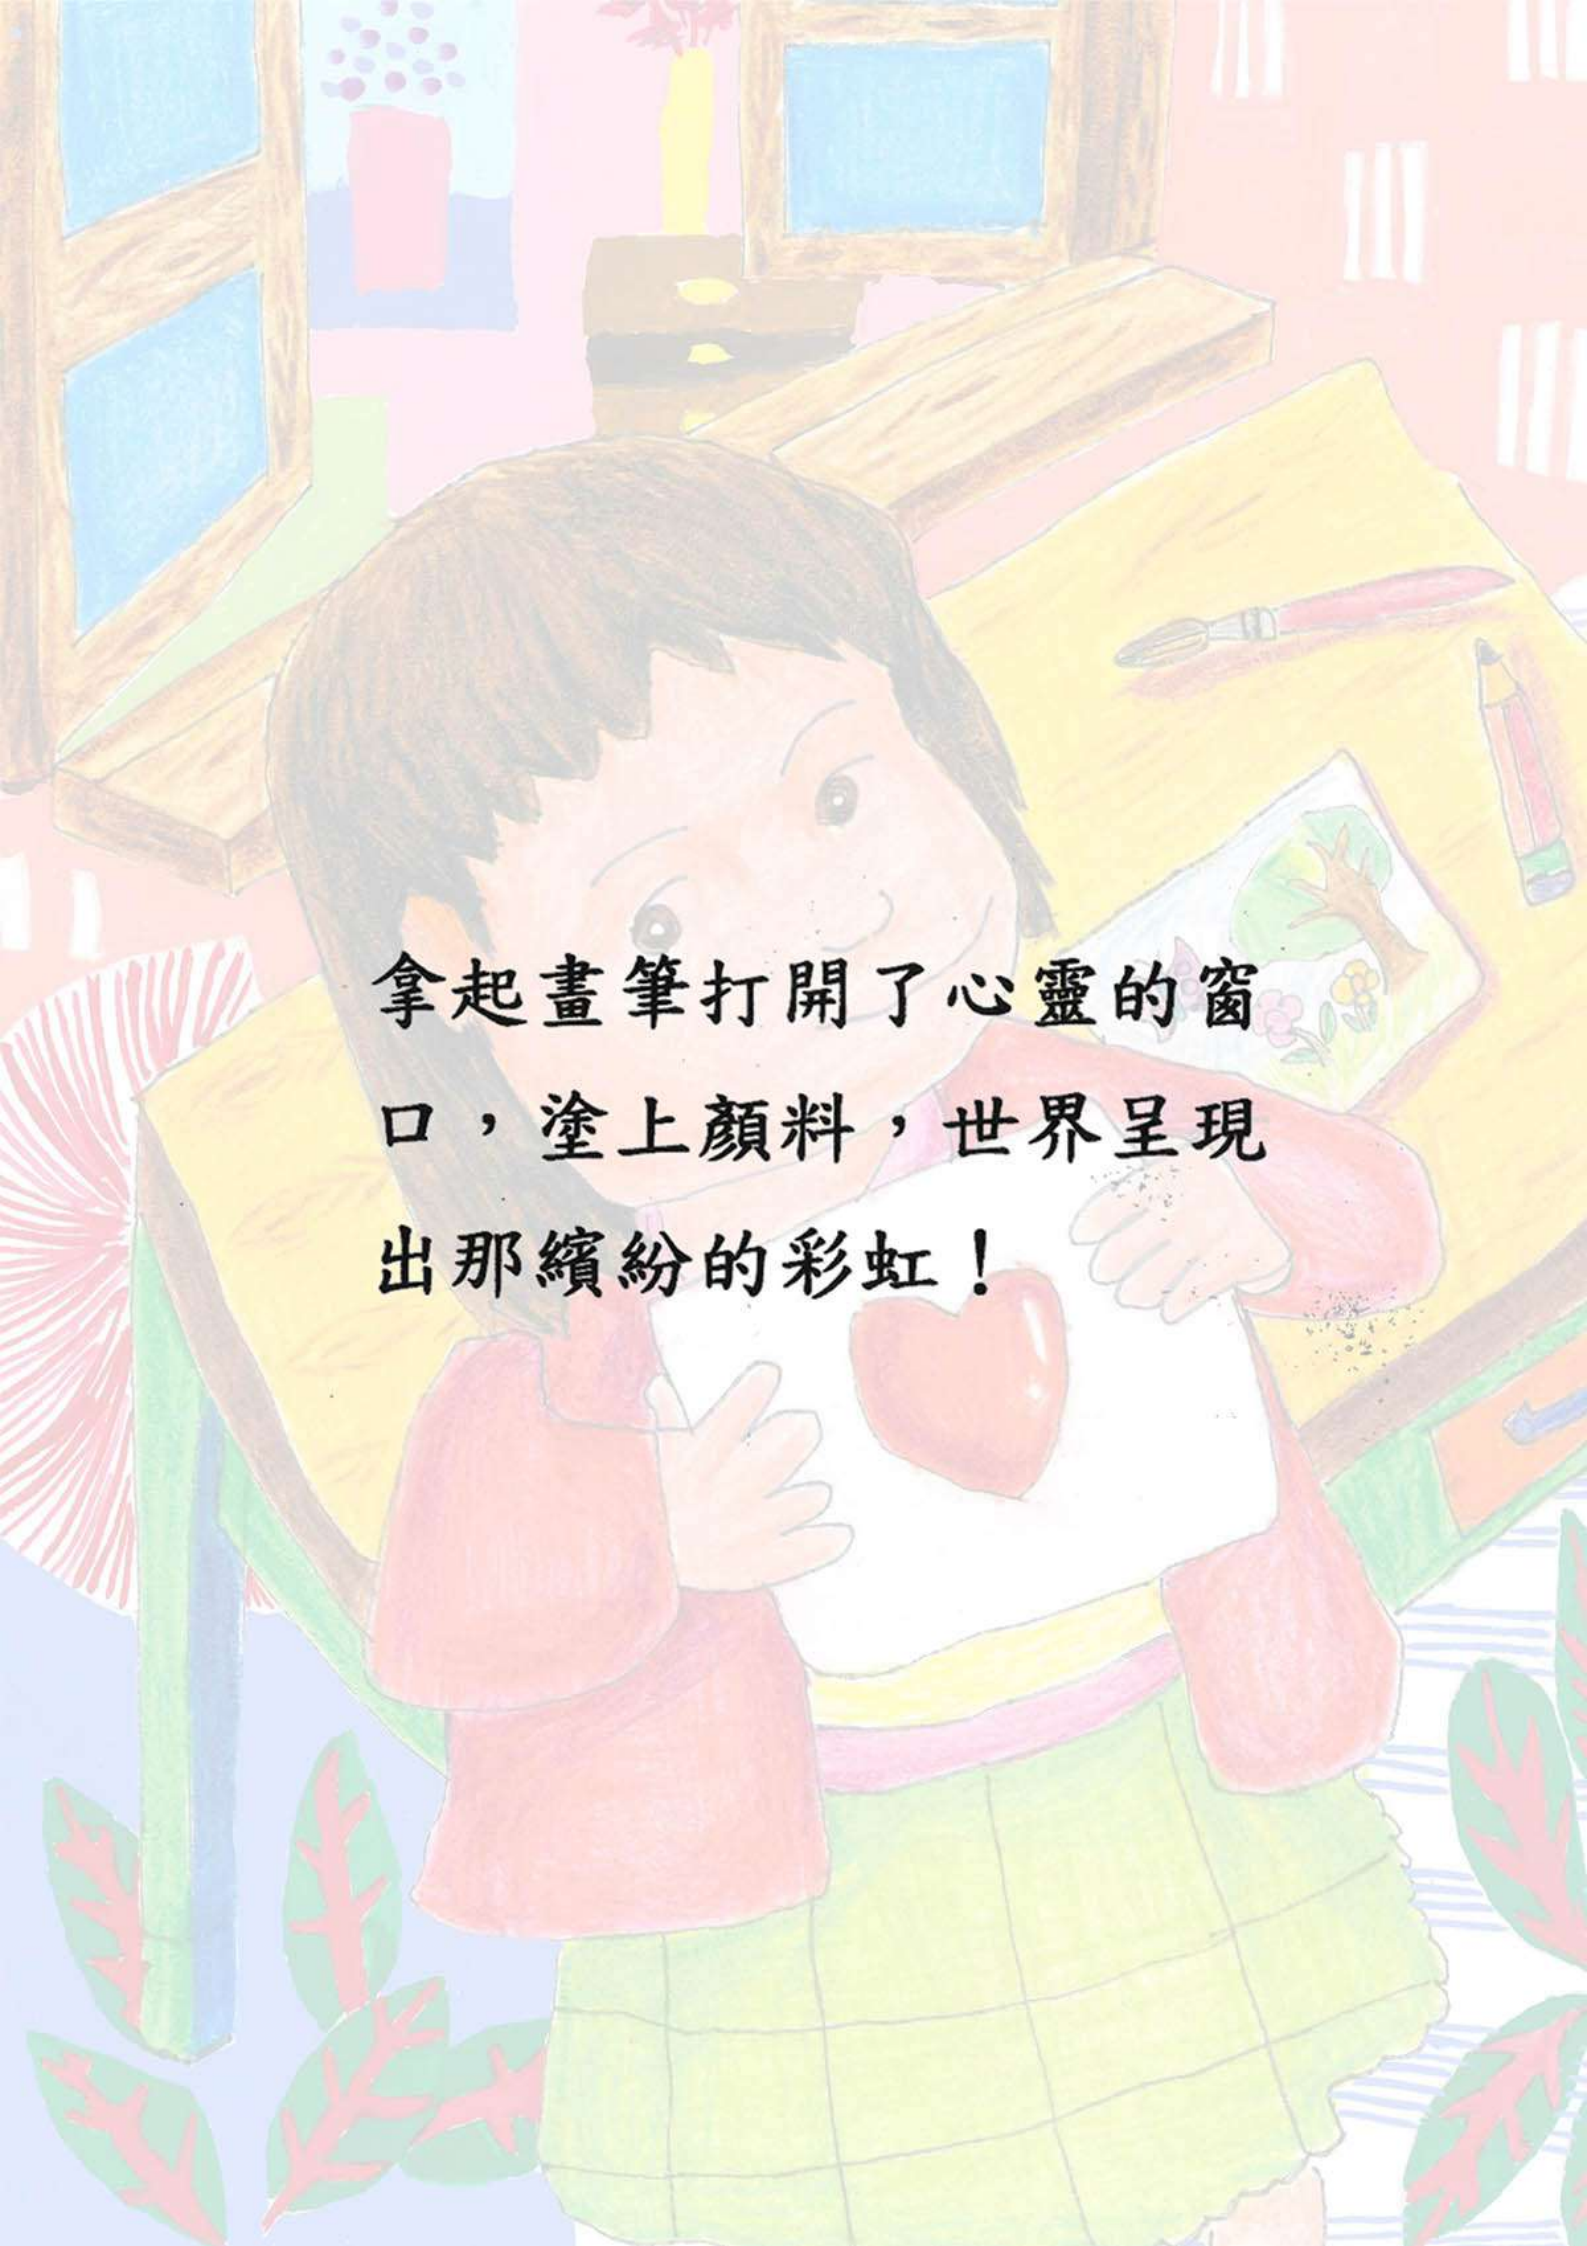

也因為自己的不同，在學校是孤獨的，同學們都和我保持著距離，無法參與他們的嬉戲打鬧。

直到開始學習畫畫，讓我在色彩中尋找到快樂與信心，找到了打開窗的鑰匙。

拿起畫筆打開了心靈的窗
口，塗上顏料，世界呈現
出那繽紛的彩虹！
