

生命的旋律

自我介紹及創作理念

今年18歲的我在老師的鼓勵下，第一次參加文薈獎，希望藉由這次的參賽，增添我人生的精彩。

存在地球上的動物們，正面臨著生存的困境。

北極熊面對著氣候異常變化，而改變了生活環境。

An illustration of two koalas clinging to a tree branch. The koalas are rendered in a detailed, textured style with grey and brown fur. The background is a lush green forest with various trees and foliage. A semi-transparent text box is overlaid on the image, containing the Chinese text: 無尾熊面對著棲息地遭受破壞,而努力地適應生存。

無尾熊面對著棲息地遭受破壞,而努力地適應生存。

A stylized illustration of a giraffe in a valley. The giraffe is in the foreground, looking towards the viewer. It has a white body with black spots and a pink mouth. The background features a valley with green and yellow hills. On the right side, there is a hillside covered with a dense pattern of small, grey, geometric shapes representing a village or a settlement. The overall style is abstract and colorful.

動物們面對困境，也能發揮動物本能的生存方式。

迎向陽光，陰影就會在我們的身後，用積極樂觀的態度解決人生遇到的困難，感受著生命的旋律。
