## 自我介紹及創作理念

### 〈我最開心的一件事〉

浚禾是個性格活潑開朗，熱情的小唐寶，在學校是老師得力的小幫手，大家的開心果。喜歡畫畫非常享受畫畫過程中的樂趣！

對我來說騎腳踏車是遙遠的夢想，我想把爸爸教我學騎腳踏車這難忘的經驗，用畫筆畫出這珍貴的回憶。

我終於擁有一台腳踏車  
可以出門兜風了

假日在輕軌旁自行步道運動，常常看弟弟騎著腳踏車。

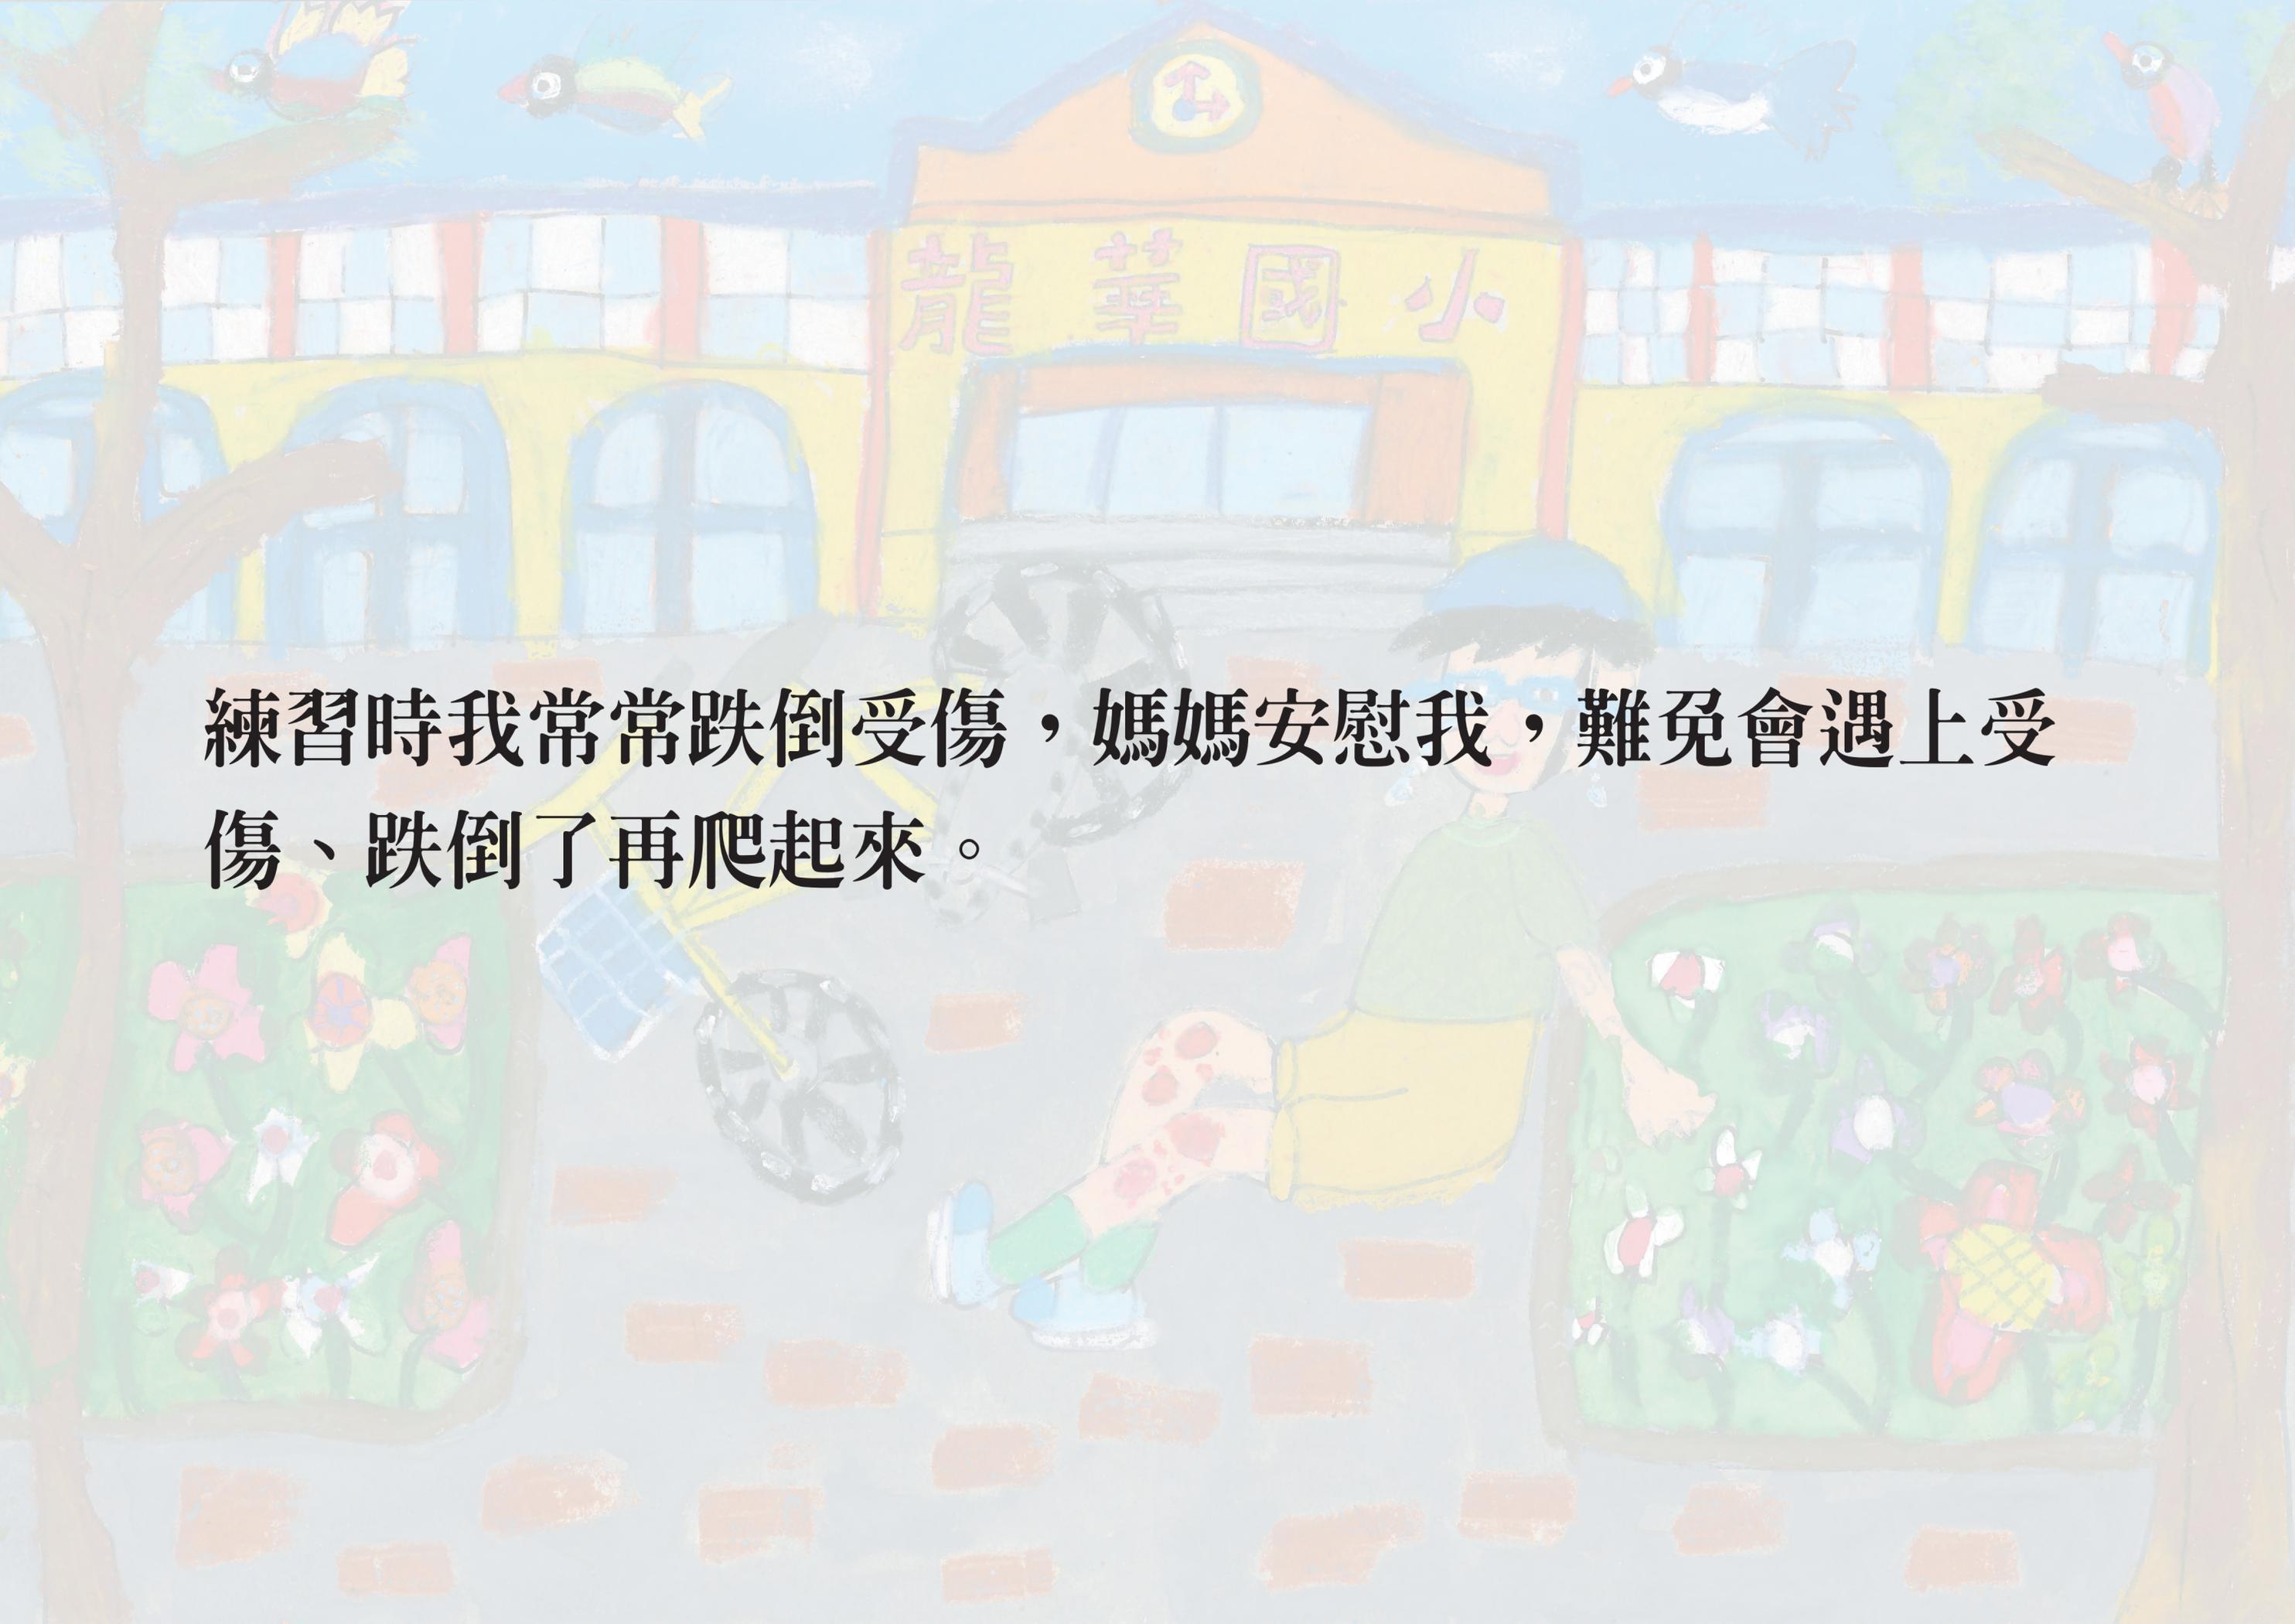

而我卻只能讓媽媽騎著腳踏車坐在後面。

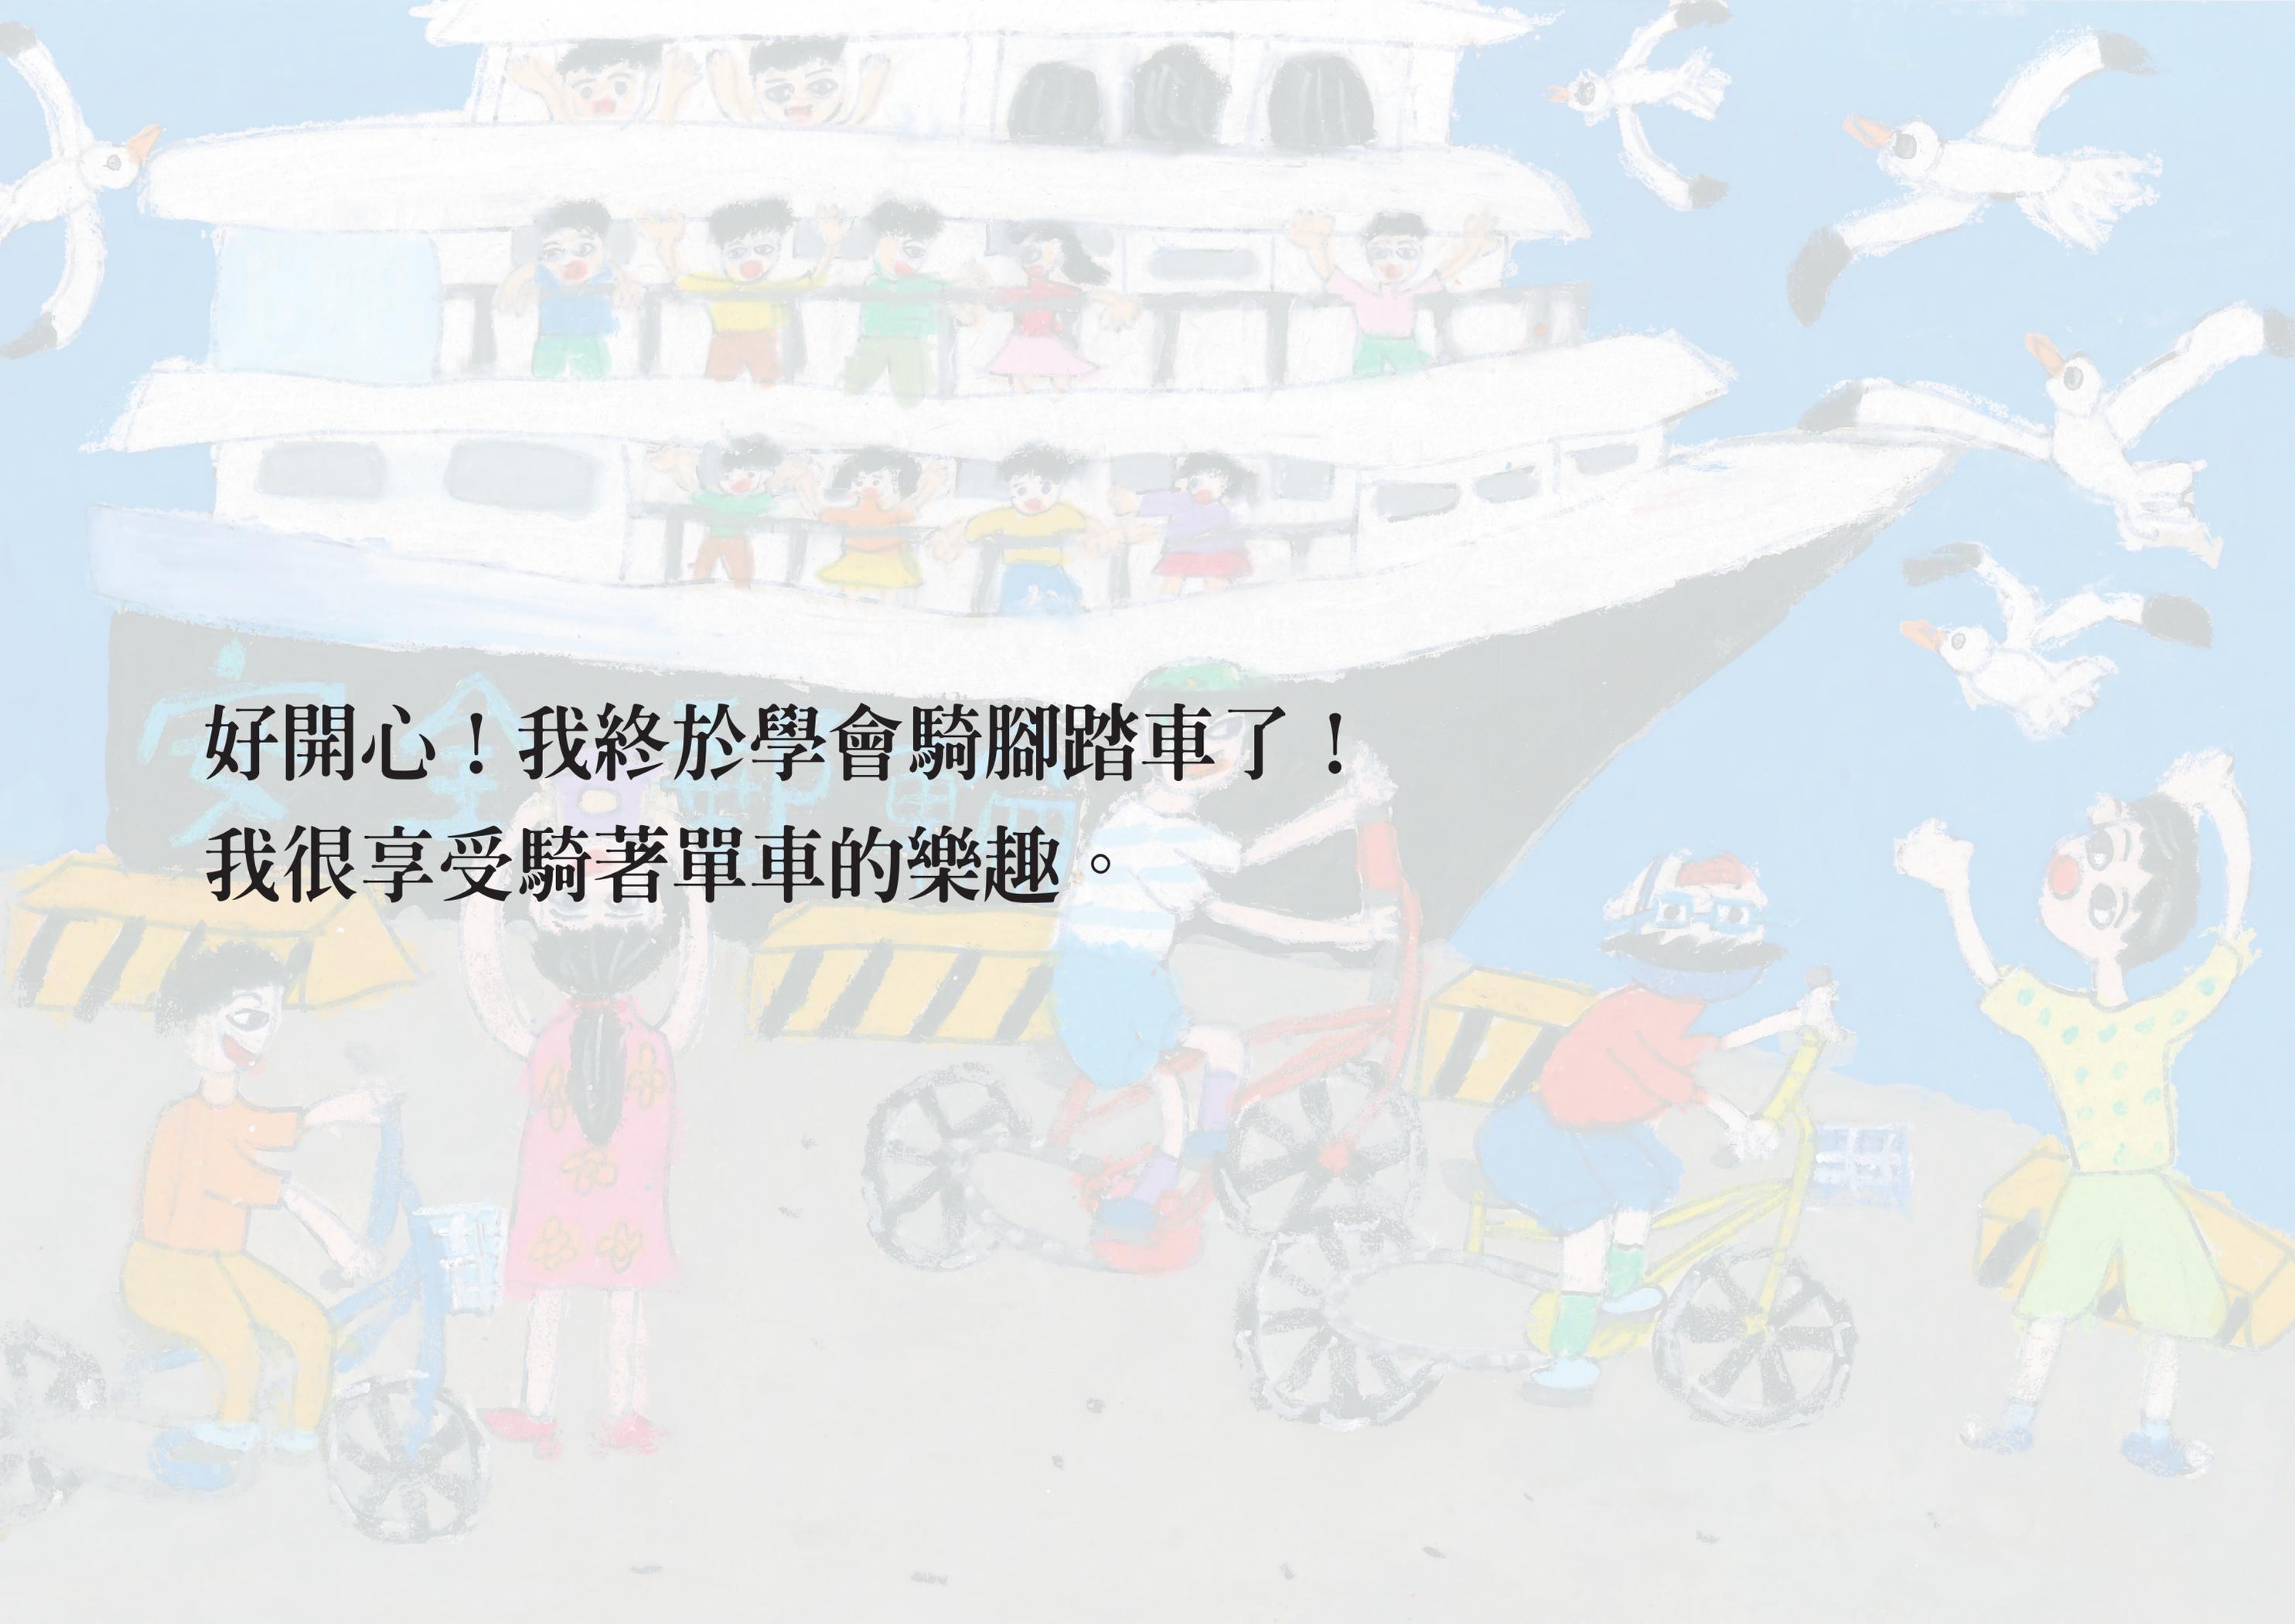

有一天，爸爸說要教我騎腳踏車，我好興奮也很緊張。

練習時我常常跌倒受傷，媽媽安慰我，難免會遇上受傷、跌倒了再爬起來。

A vibrant, child-like illustration. In the upper half, a white boat with a blue hull is shown from a side-on perspective. On the boat's deck, several children are waving their hands. The sky is a clear, bright blue, populated by several white birds in flight. In the lower half, the scene shifts to a ground-level view. A girl in a pink dress with yellow floral patterns stands with her arms raised in excitement. To her left, a boy in an orange shirt and yellow pants is riding a blue bicycle. In the center, a boy in a blue and white striped shirt and blue shorts is riding a red bicycle. To his right, another boy in a red shirt and blue shorts is riding a yellow bicycle. On the far right, a girl in a yellow polka-dot shirt and green skirt is also celebrating with her arms raised. The background features yellow and black striped barriers and a blue and white checkered cloth on the ground.
