

刺 虫 田 元 宝 宝

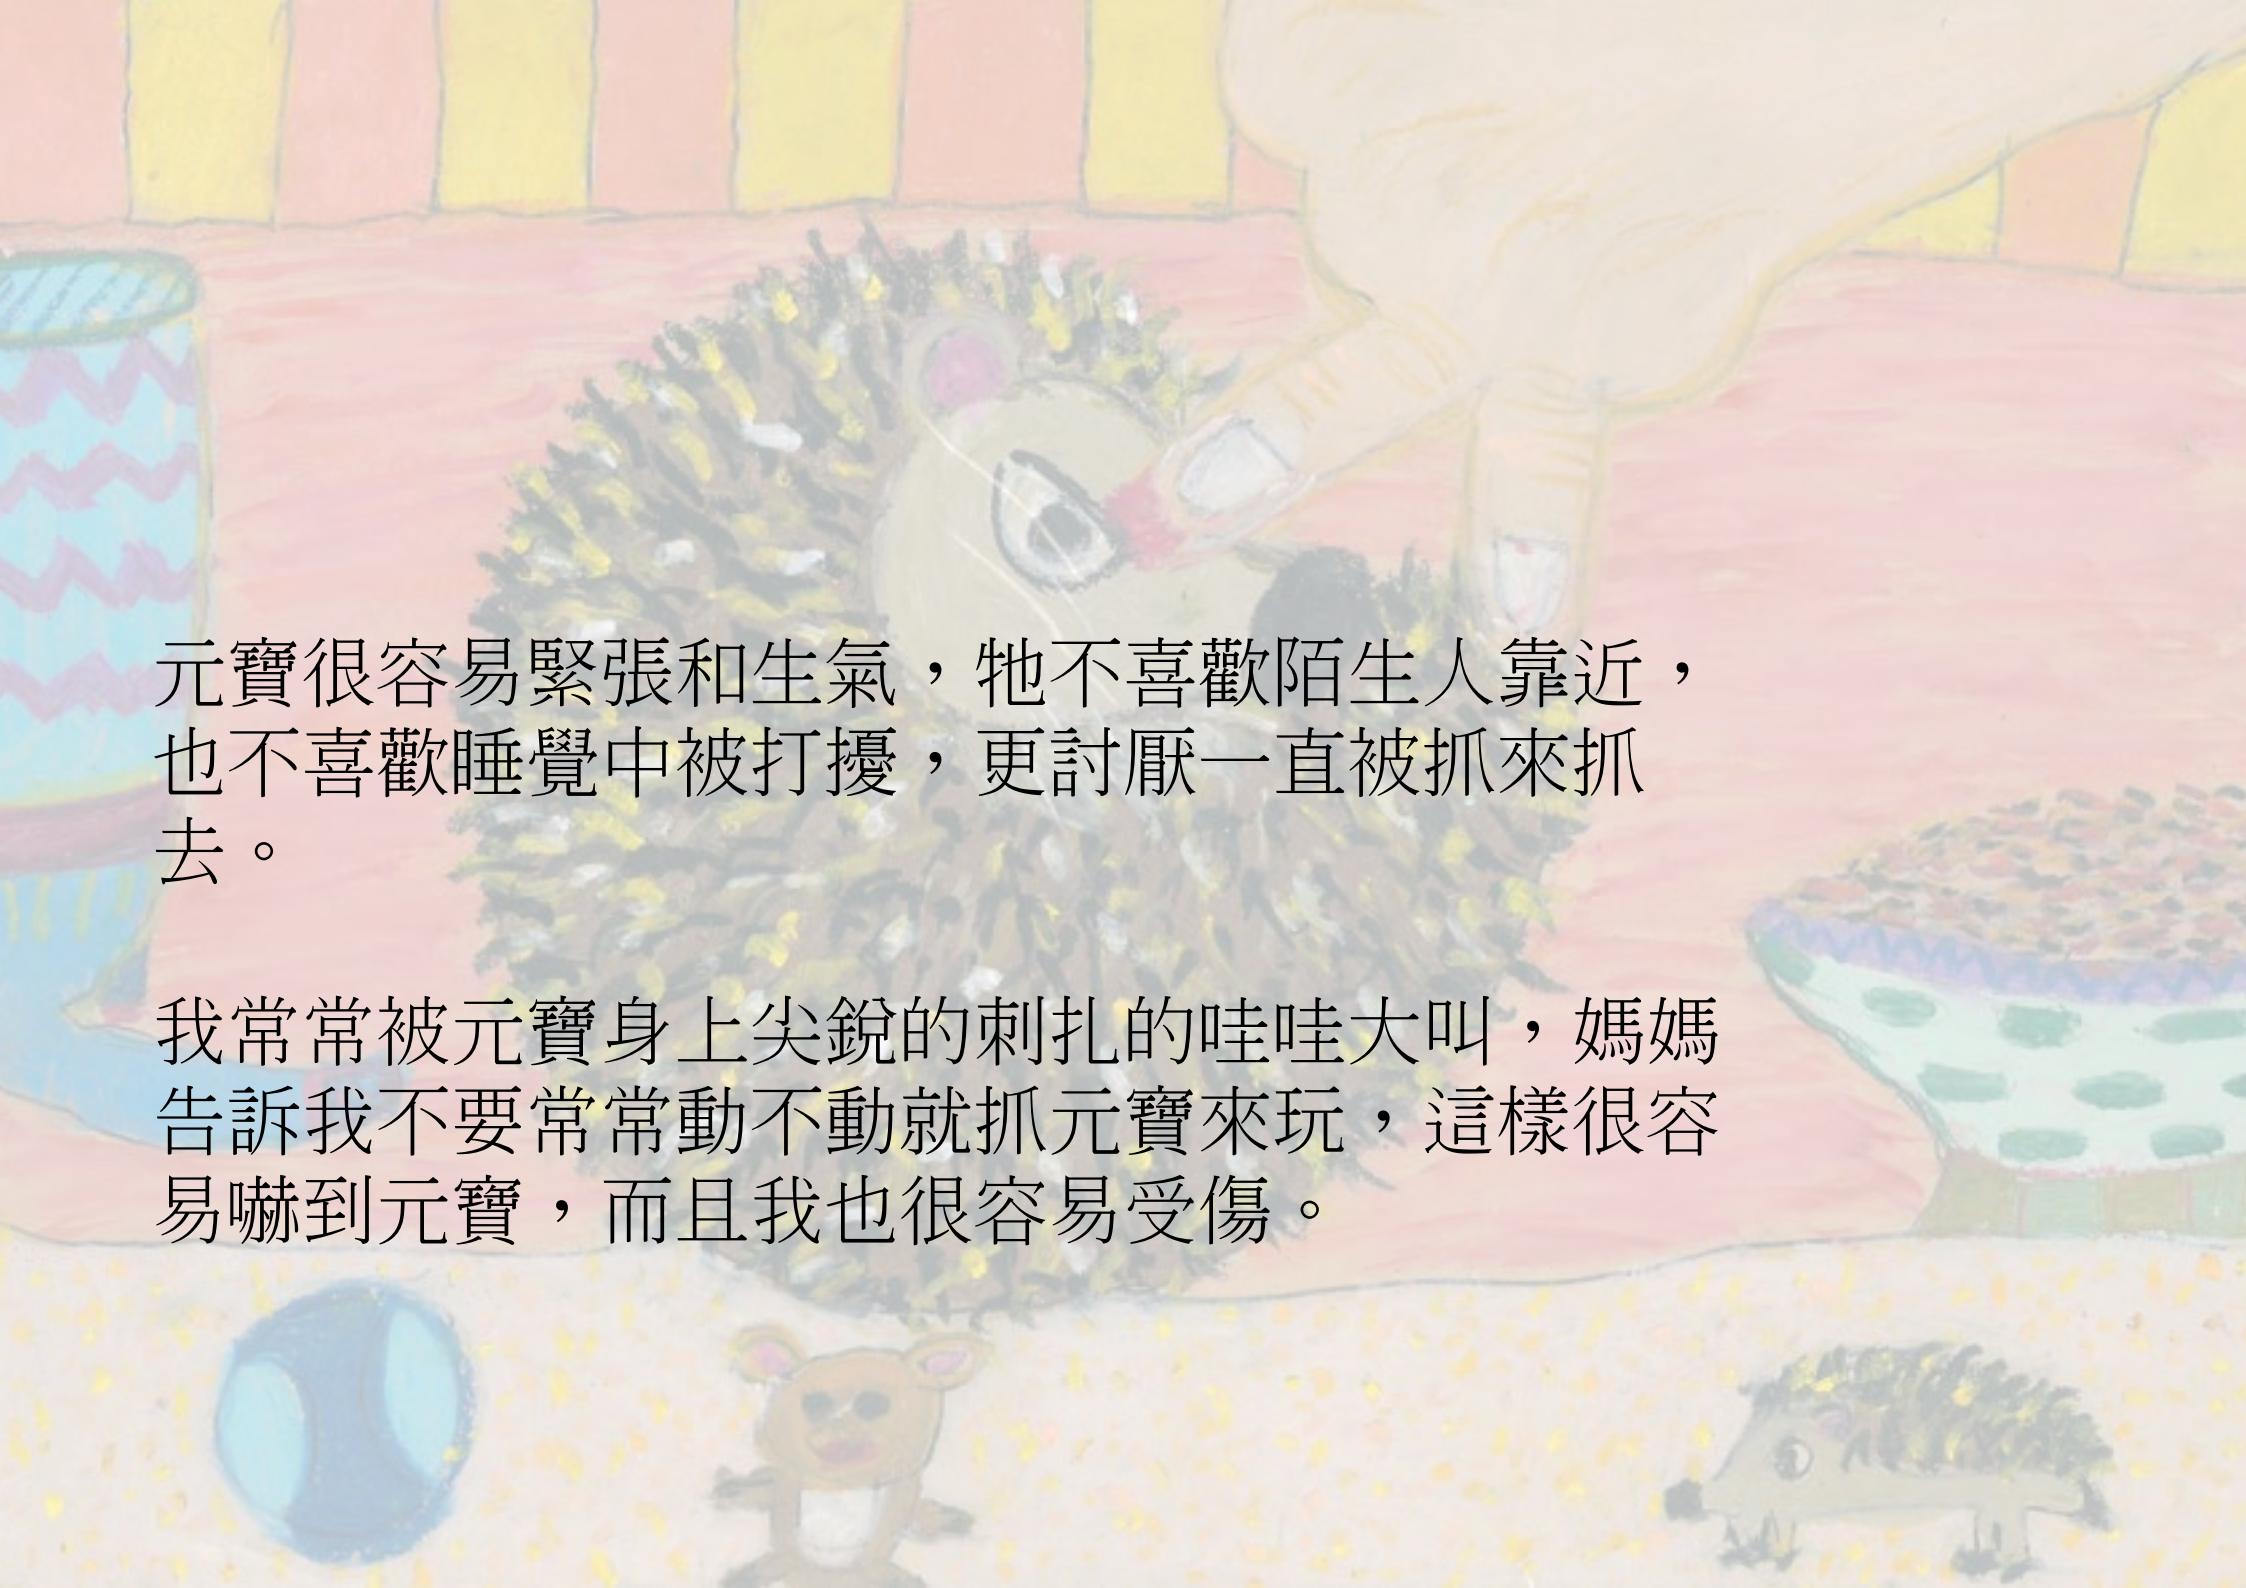

過年前媽媽送我一隻刺蝟，我好喜歡牠、喜愛牠可愛的模樣，我幫他取了一個很喜氣的名字「元寶」。

元寶很喜歡躲在紙筒裡玩耍及睡覺，也愛在滾輪上不停的奔跑，玩得不亦樂乎。

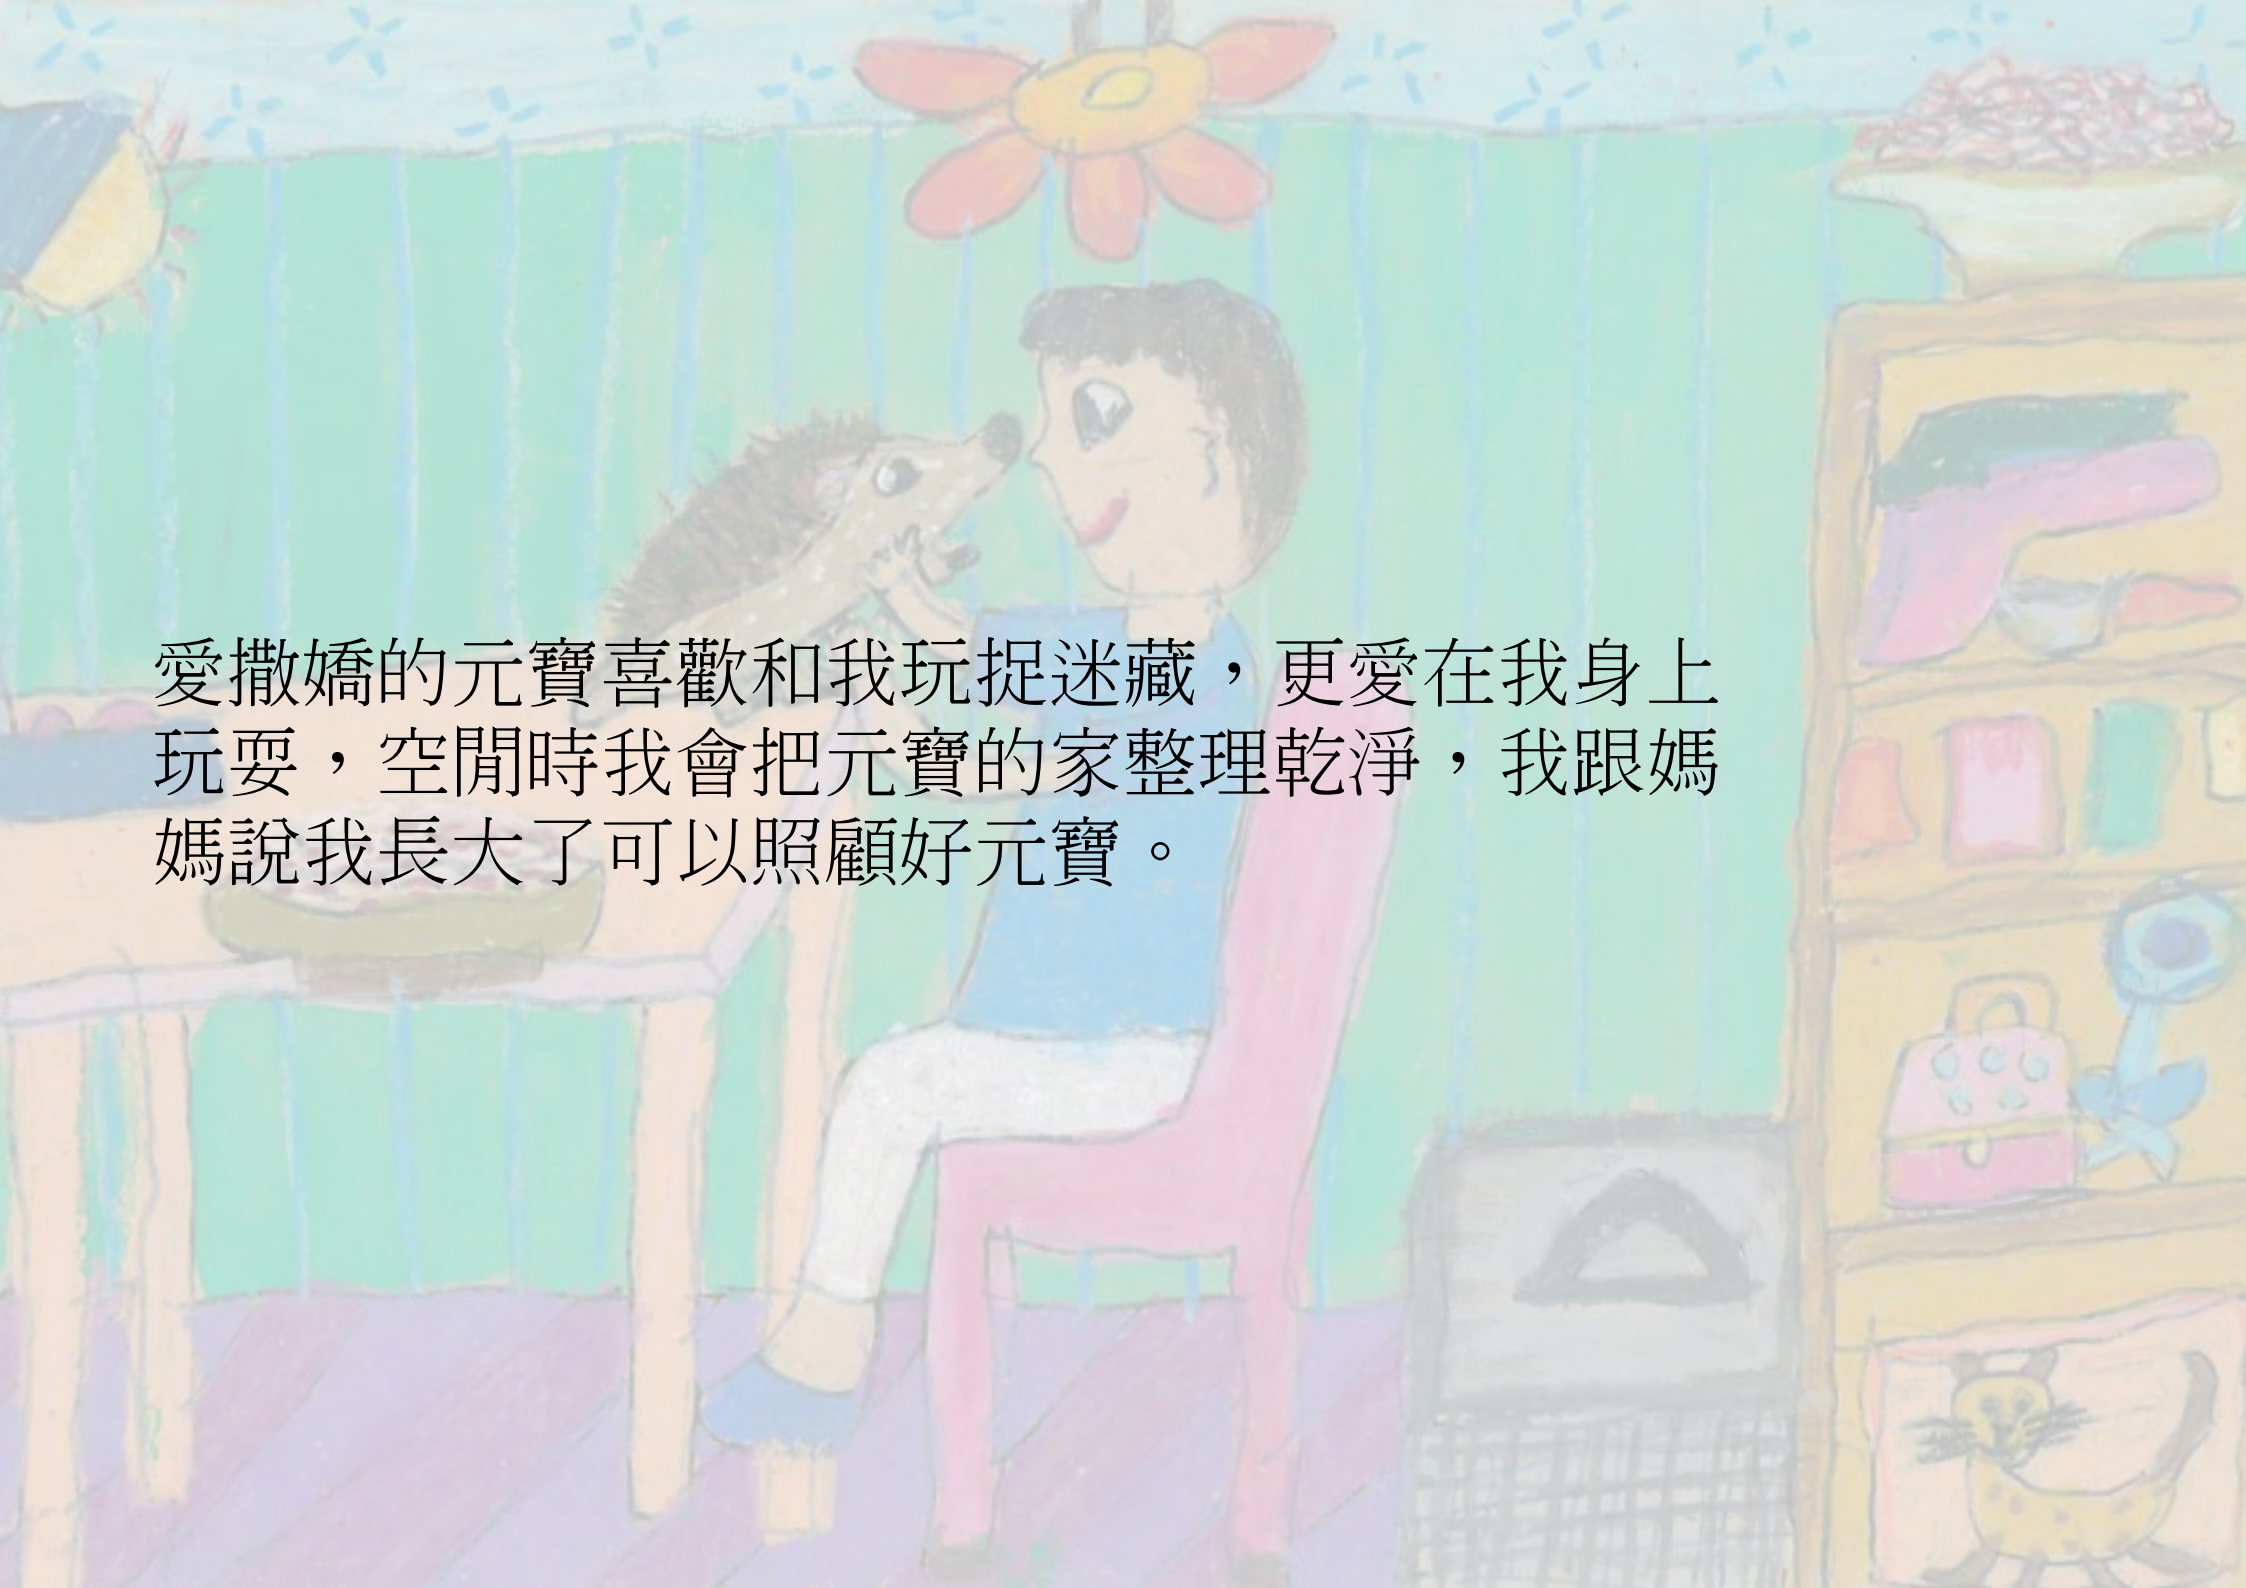

元寶很容易緊張和生氣，牠不喜歡陌生人靠近，也不喜歡睡覺中被打擾，更討厭一直被抓來抓去。

我常常被元寶身上尖銳的刺扎的哇哇大叫，媽媽告訴我不要常常動不動就抓元寶來玩，這樣很容易嚇到元寶，而且我也很容易受傷。

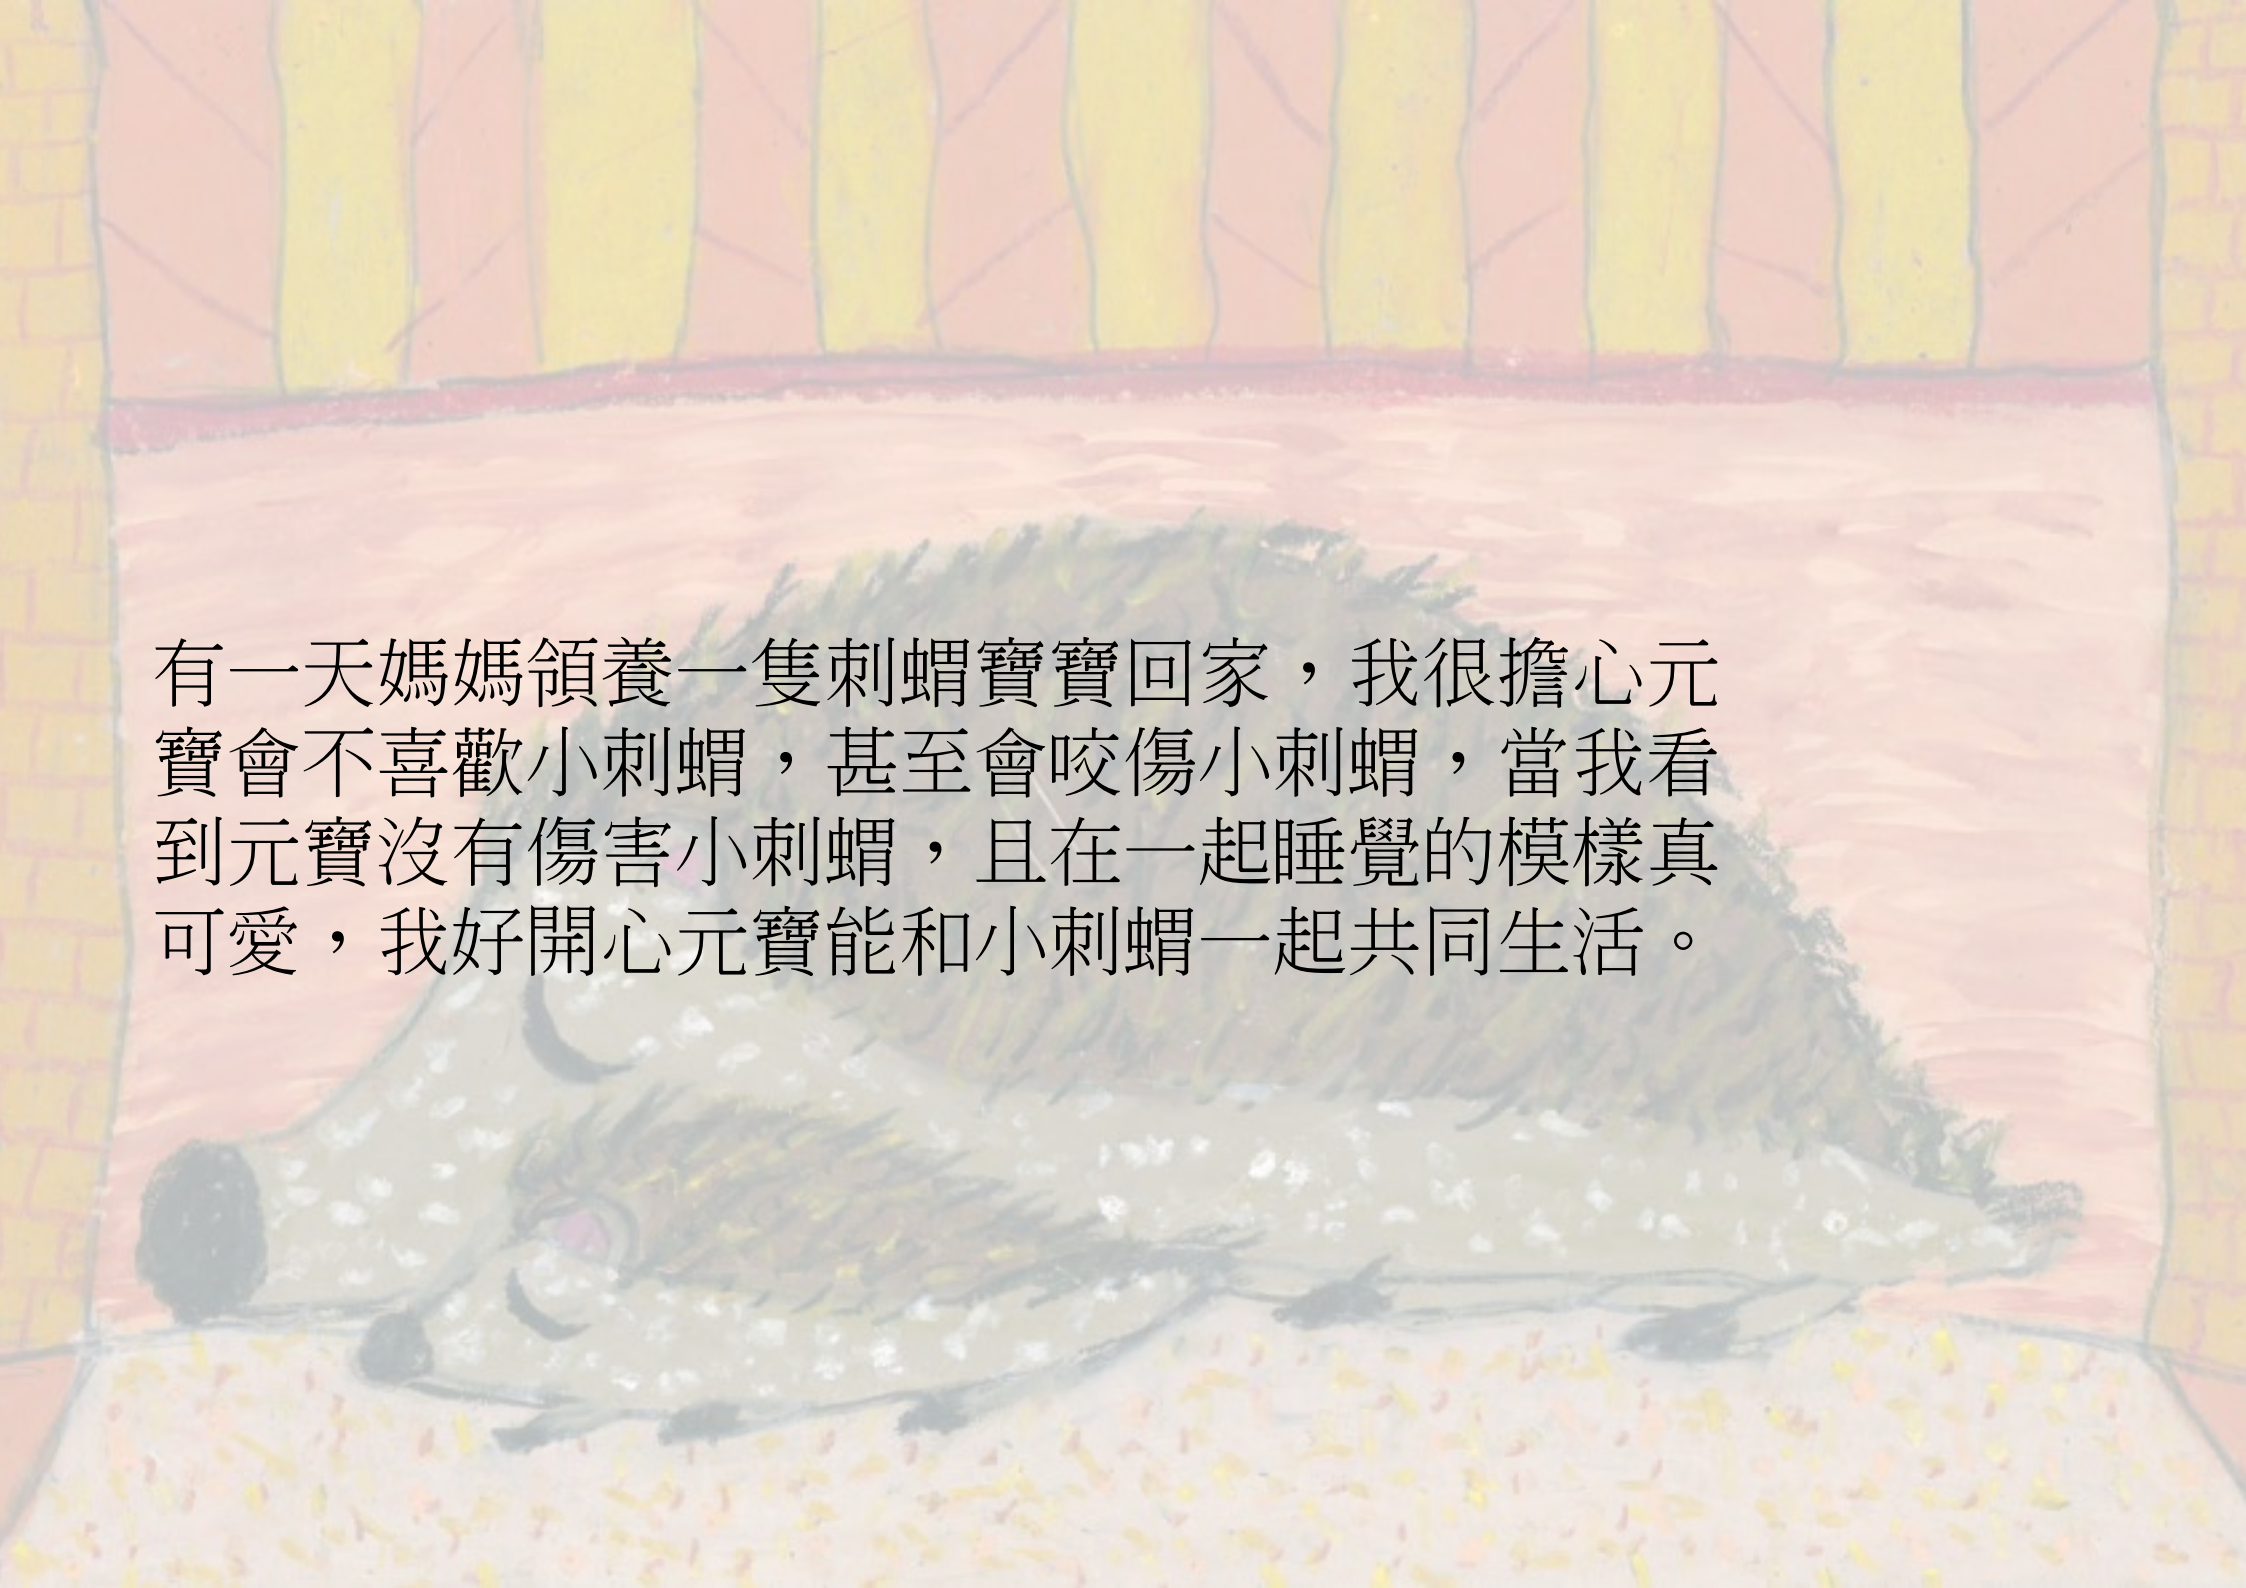

愛撒嬌的元寶喜歡和我玩捉迷藏，更愛在我身上玩耍，空閒時我會把元寶的家整理乾淨，我跟媽媽說我長大了可以照顧好元寶。

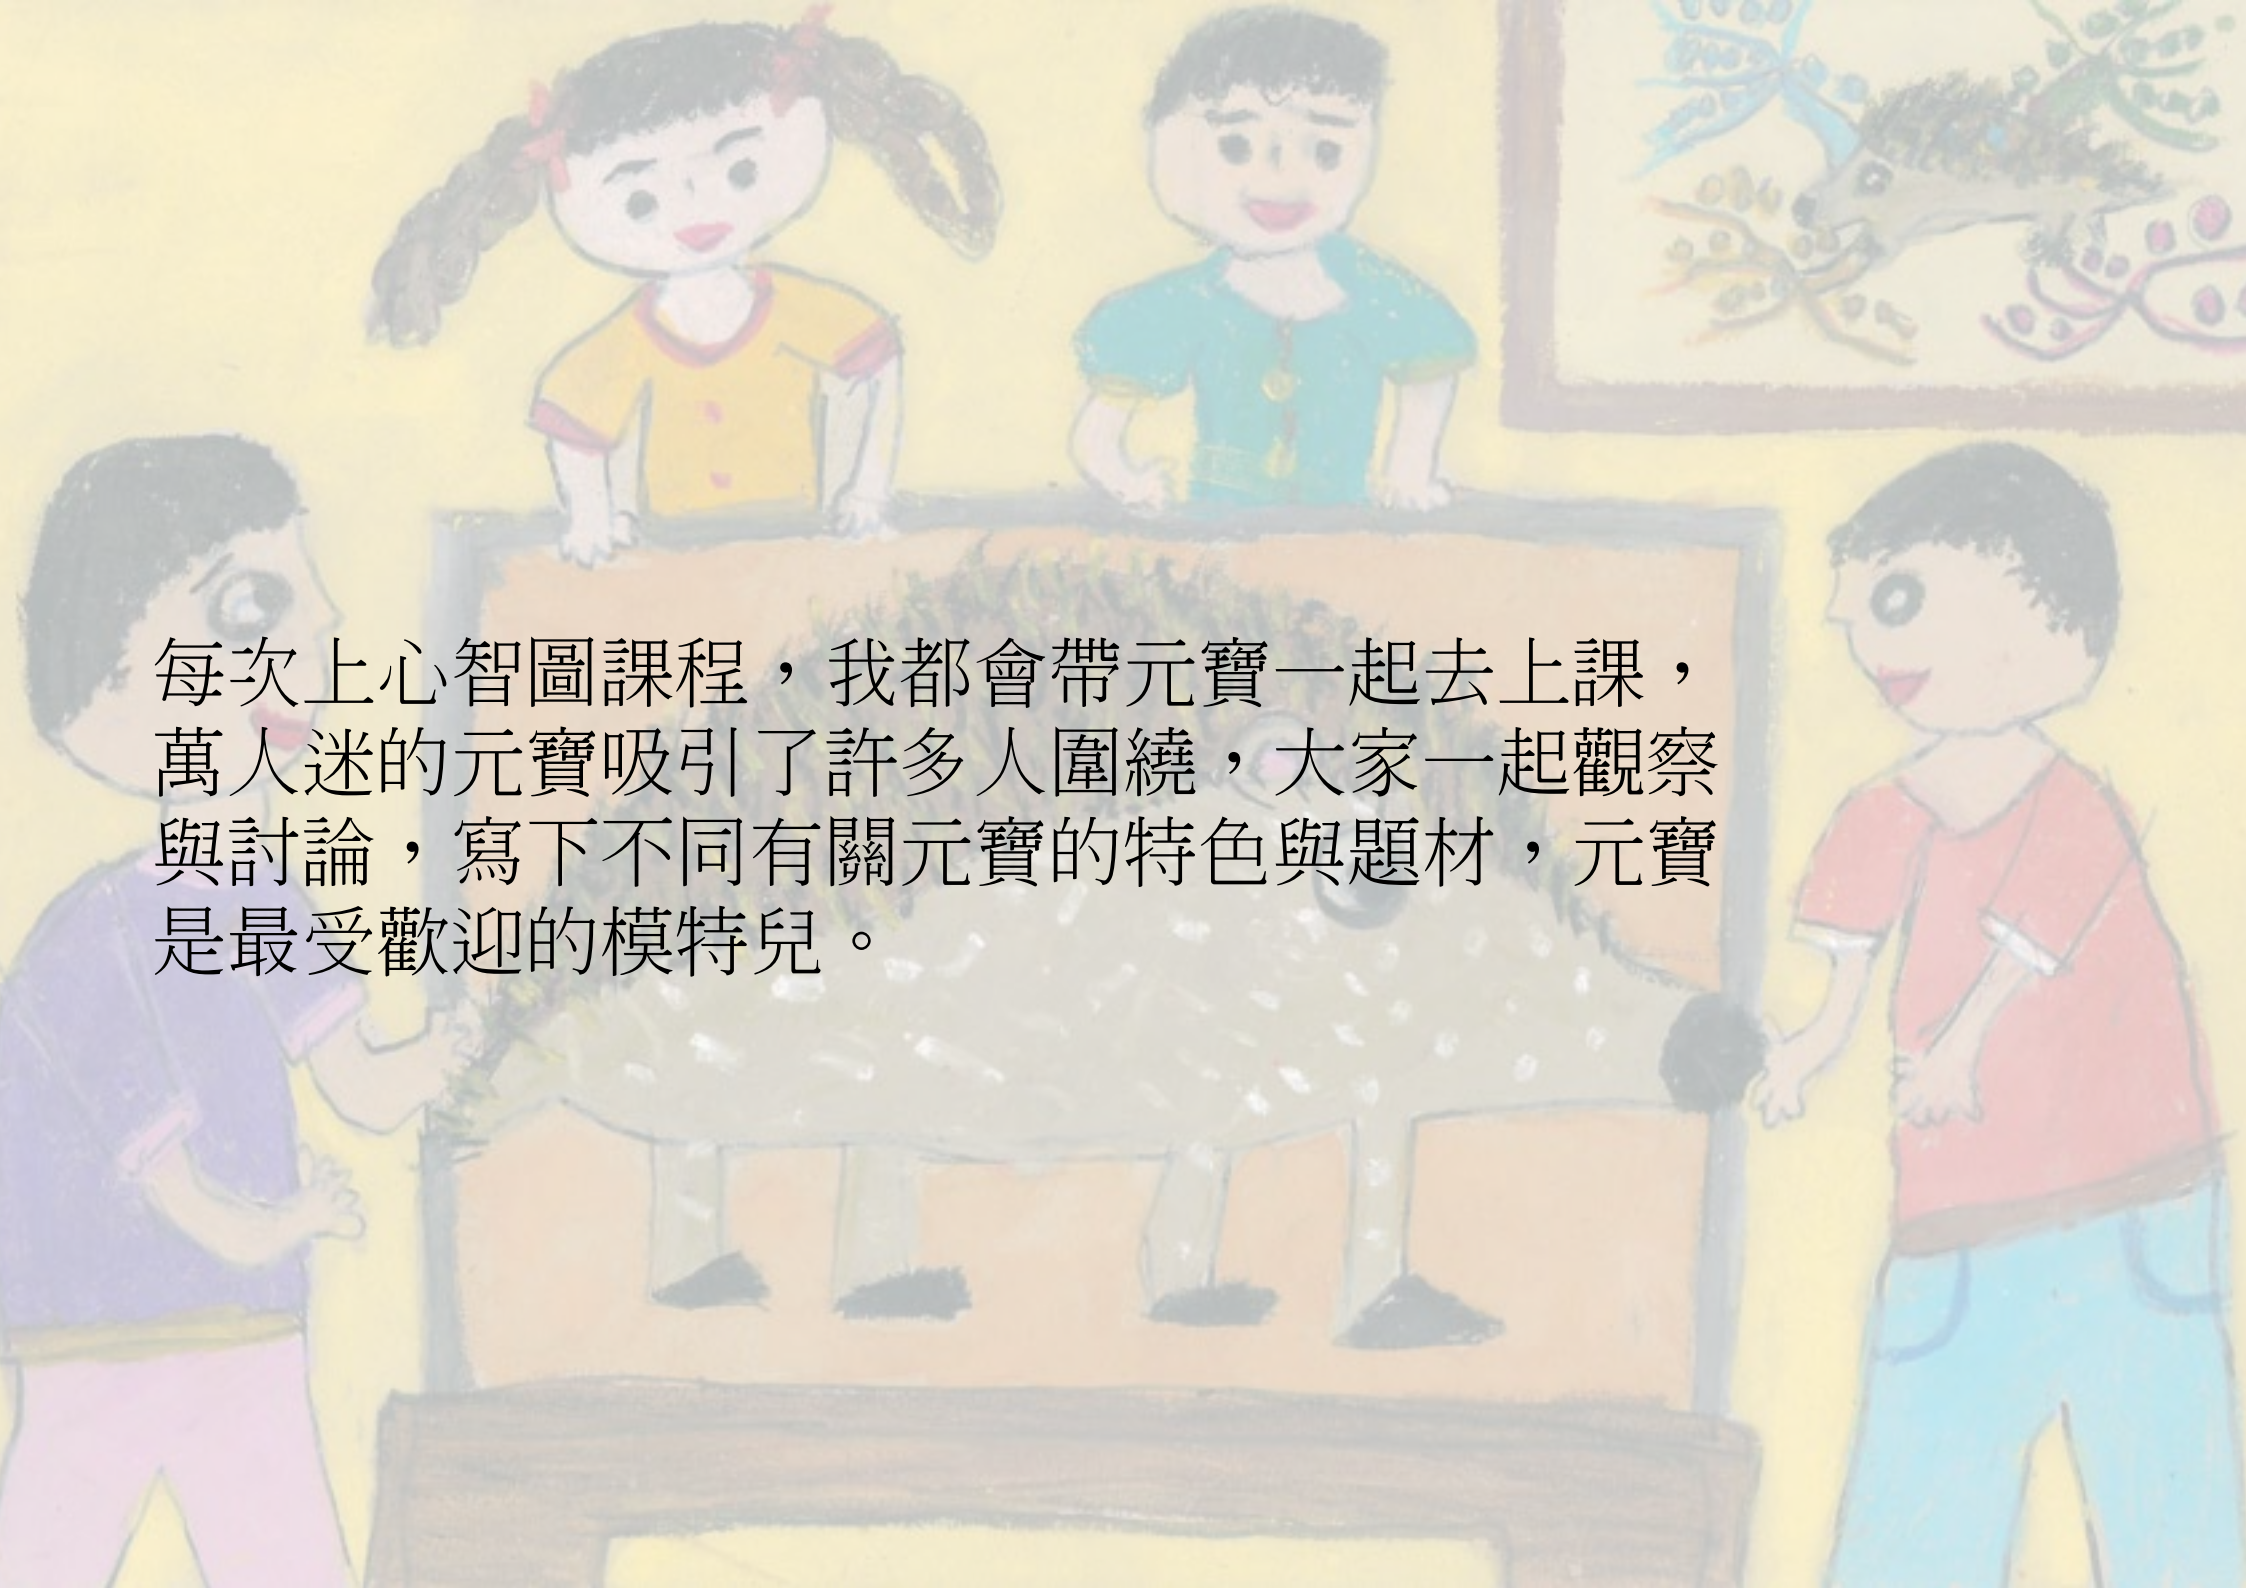

A watercolor illustration of a dog lying on a bed with a hedgehog. The dog is lying on its side, facing left, with its head resting on a patterned pillow. The hedgehog is curled up next to the dog, facing right. The background consists of vertical stripes in shades of yellow and pink, suggesting a window with curtains. The overall style is soft and painterly.

有一天媽媽領養一隻刺蝟寶寶回家，我很擔心元寶會不喜歡小刺蝟，甚至會咬傷小刺蝟，當我看到元寶沒有傷害小刺蝟，且在一起睡覺的模樣真可愛，我好開心元寶能和小刺蝟一起共同生活。

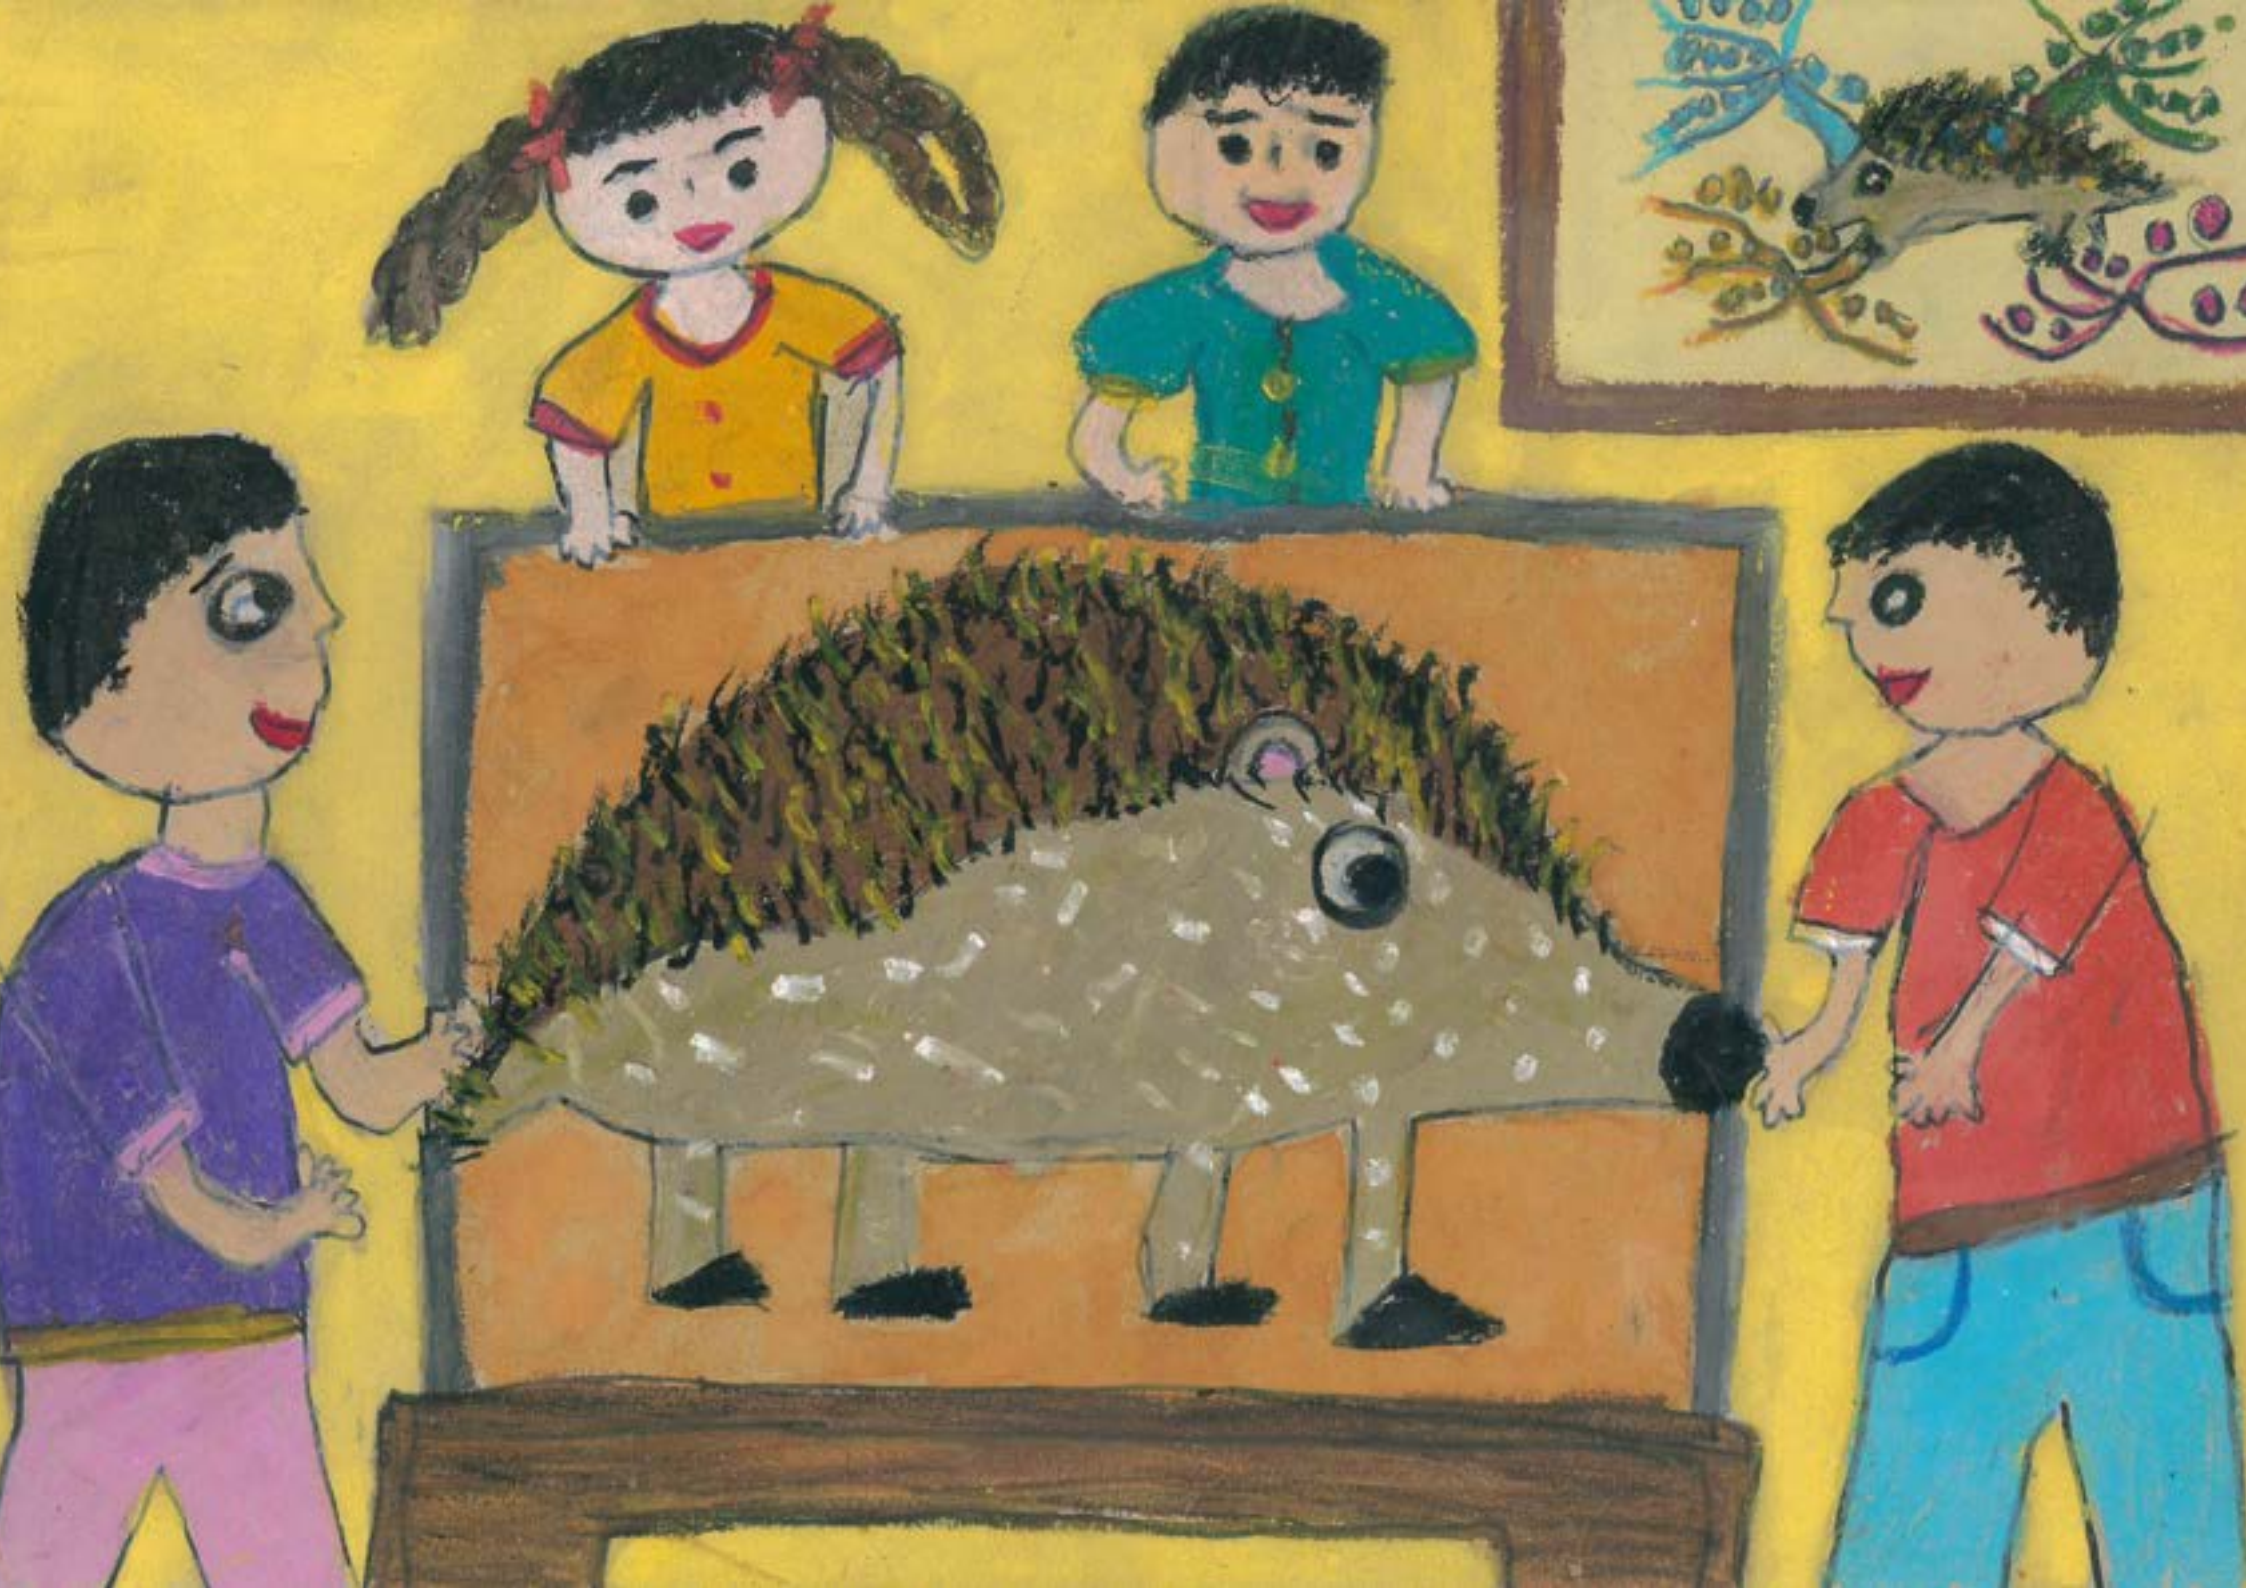

An illustration showing a group of children and a man gathered around a table. On the table is a large, fluffy rabbit. One child is holding a brush, and another is holding a ball of yarn. A man in a purple shirt is on the left, and a boy in a red shirt is on the right. Two other children are standing behind the table. On the wall behind them is a framed picture of a rabbit. The scene is set in a room with a yellow background.

每次上心智圖課程，我都會帶元寶一起去上課，萬人迷的元寶吸引了許多人圍繞，大家一起觀察與討論，寫下不同有關元寶的特色與題材，元寶是最受歡迎的模特兒。

A colorful illustration featuring a central hedgehog being held in a large, light-colored hand. The hedgehog has a brown body with white spots and a surprised expression with wide eyes and an open mouth. The hand is positioned as if cradling the hedgehog. In the background, there are three other hedgehogs: one in the top left, one in the bottom left, and one in the bottom right. The background is a pinkish-red color with a yellow and orange striped pattern at the top and a yellow and orange grid pattern on the sides.

元寶的到來，已成為家裡的一份子，我們都很疼愛元寶，也我是捧在手掌心最愛的《寶貝》。
